

## 2001-02: Kinesiology becomes Impacted Program

### Exercise and Nutritional Sciences

#### Impacted Programs

The kinesiology major with emphases in athletic training, fitness, nutrition, and health; physical education; and prephysical therapy are impacted programs. Students must apply to enter the University under the kinesiology premajor code (08350).

To be admitted to a kinesiology major emphasis, students must meet the following criteria:

- Be accepted to the kinesiology premajor.
- Complete with a grade of C or higher: Exercise and Nutritional Sciences 210 and Biology 212. These courses cannot be taken for credit/no credit (Cr/NC).
- Clear the competency requirements in mathematics and writing. Refer to Graduation Requirements section of this catalog for details.
- Complete a minimum of 56 semester units applicable to the lower division General Education requirements. Preparation for the Major requirements for kinesiology major emphasis, and electives if needed to reach 56 units.
- Have a cumulative and SDSU GPA applicable to the major emphasis:
  - Athletic Training – 2.25 or higher
  - Fitness, Nutrition, and Health – 2.5 or higher
  - Physical Education – 2.25 or higher
  - Pre-Physical Therapy – 2.5 or higher

f. Admission to the major will be automatic if the above requirements as described in the catalog in effect at the time they declare the premajor at SDSU are fulfilled (assuming continuous enrollment).

To complete the major, students must fulfill the degree requirements for the major emphasis described in the catalog in effect at the time they are accepted into the premajor at SDSU (assuming continuous enrollment).

#### Kinesiology Major

With the B.S. Degree in Applied Arts and Sciences (Premajor Code: 08350) (Major Code: 06351)

All candidates for a degree in applied arts and sciences must complete the requirements listed in the section of this catalog on "Graduation Requirements."

A minor is not required with this major except for the Emphasis in Physical Education, which requires completion of 12 units towards a minor or supplementary authorization.

##### Emphasis in Athletic Training

**Preparation for the Major.** Exercise and Nutritional Sciences 104A or 104B, 210, 265, 265L, 269, Biology 202, 212, Chemistry 130, 200, Nutrition 204, Physics 107, Psychology 101; and one of the following: Biology 215, Economics 201, Psychology 270, Sociology 201, or Statistics 119. (36 units)

**Upper Division Writing Requirement.** Passing the University Writing Examination or completing one of the approved writing courses with a grade of C (2.0) or better.

**Major.** A minimum of 43 upper division units to include Exercise and Nutritional Sciences 301, 302, 303, 304, 305, 306, 307, 314, 365, 367, 367L, 368, 368L, 388 (1 unit), 401A, 401B, 461, 464, Biology 336, Biology 336 will also satisfy three units of the General Education requirement in IVA. Recommended: Students should take Sociology 355 to satisfy the General Education requirement in IVB. Additional requirements are needed for students who wish to sit for the NATA/BOC Certification Examination in Athletic Training. Requirements include acceptance into the Athletic Training Professional Program and completion of Exercise and Nutritional Sciences 389A, 389B, 389C, 389D, 462, 463, 463L, and 465.

##### Emphasis in Fitness, Nutrition, and Health

**Preparation for the Major.** Exercise and Nutritional Sciences activities (2 units), Exercise and Nutritional Sciences 104A or 104B, 210, 265, 265L, Biology 100, 100L, 212, Chemistry 100, Nutrition 202,

Psychology 101; Sociology 101; and three units selected from Biology 215, Economics 201, Psychology 270, Sociology 201, or Statistics 119. (31 units)

**Upper Division Writing Requirement.** Passing the University Writing Examination or completing one of the approved writing courses with a grade of C (2.0) or better.

**Major.** A minimum of 51 upper division units to include Exercise and Nutritional Sciences 301, 302, 303, 304, 305, 306, 307, 314, 347A, 347B, 363, 388 (1 unit), 401A, 401B, 412, 431, 432, 432L, 433, 434; Biology 336; Nutrition 309, 311; Biology 336 will also satisfy three units of the General Education requirement (IVA). Recommended: Students should take Sociology 355 to satisfy the General Education requirement (IVB).

##### Emphasis in Physical Education

This program must be elected by students who wish to be a candidate for a single subject teaching credential at San Diego State University.

All requirements as outlined in this section and the sections titled Policy Studies in Language and Cross-Cultural Education or Teacher Education in this catalog must be completed.

This major may be used by students in policy studies or teacher education as an undergraduate major for the B.S. degree in applied arts and sciences.

Completion of 12 units towards a minor or supplementary authorization is required. In conjunction with the department undergraduate adviser, the student must determine a specific course of study to establish a formal program for supplementary authorization or minor. The program must be filed with the Office of the Registrar.

**Preparation for the Major.** Exercise and Nutritional Sciences 210, 265, 265L, Biology 212, Psychology 101, Sociology 101, and one of the following: Biology 215, Economics 201, Psychology 270, Sociology 201, or Statistics 119. (17 units)

**Upper Division Writing Requirement.** Passing the University Writing Examination or completing one of the approved writing courses with a grade of C (2.0) or better.

**Major.** A minimum of 51 upper division units to include Exercise and Nutritional Sciences 301, 302, 303, 304, 305, 306, 307, 314, 335, 341, 347A, 347B, 348, 351, 401A, 401B, 441A, 441B, 441C, 442A, 442B, 445; Biology 336; Biology 336 will also satisfy three units of the General Education requirement (IVA). Recommended: Students should take Sociology 355 to satisfy the General Education requirement (IVB).

##### Emphasis in Prephysical Therapy

Students interested in applying to postgraduate allied health programs are advised to follow (a) Rehabilitative Science, while those interested in kinesiotherapy should follow (b) Kinesiotherapy.

**Preparation for the Major.** Exercise and Nutritional Sciences 104A or 104B, 210, 265, 265L, Biology 202, 212, Chemistry 200, Physics 180A, 182A; Psychology 101; Sociology 101; and one of the following: Biology 215, Economics 201, Psychology 270, Sociology 201, or Statistics 119. (31 units)

**Upper Division Writing Requirement.** Passing the University Writing Examination or completing one of the approved writing courses with a grade of C (2.0) or better.

**Major.** A minimum of 40 upper division units to include Exercise and Nutritional Sciences 301, 302, 303, 304, 305, 306, 307, 314, 363, 365, 388 (1 unit), 401A, 401B, 460, Biology 336, 436, Psychology 350, Biology 336 will also satisfy three units of the General Education requirement (IVA). Recommended: Students should take Sociology 355 to satisfy the General Education requirement (IVB).

##### (a) Rehabilitative Science

**Additional Preparation for the Major.** Biology 210, Chemistry 201; Physics 180B, 182B. (13 units)

**Major.** No additional major upper division units required.

##### (b) Kinesiotherapy

**Additional Preparation for the Major.** Exercise and Nutritional Sciences 211; Psychology 260. (4 units)

## 2001-02: Impaction of SDSU Admission and Registration

# Admission and Registration

### Undergraduate Admission Policy

Admission to San Diego State University is selective. SDSU has been granted **impacted** status by The California State University system in order to assure that the educational experience, including the availability of classes and the array of services provided, of each enrolled student is not compromised by over enrollment. To the end, admission criteria **OVER AND ABOVE THOSE REQUIRED BY THE CALIFORNIA STATE UNIVERSITY** are now in effect. Meeting CSU minimum admission criteria **will not** guarantee admission to San Diego State University.

### Undergraduate Application Filing Periods

Fall Semester	November 1-30
Spring Semester	August 1-31

### Undergraduate Application Procedures

Prospective students who are applying for full-time or part-time undergraduate programs of study, in day or evening classes, must complete a California State University (CSU) undergraduate admission application during the application filing period (see above). Applications may be obtained from the admissions office at any of the campuses of The California State University or at any California high school or community college. The \$50 application fee must be in the form of a check or money order payable to The California State University. An electronic version of the CSU undergraduate application is available on the Web site at [www.sdsu.edu/apply](http://www.sdsu.edu/apply). Credit card payment is also acceptable if applying electronically via the Web site. The application fee is nonrefundable and may not be transferred to a future semester.

Admission decisions are based on the information that the student *self reports* on the admission application, therefore, it is essential that the application be filled out completely and accurately. Misrepresenting oneself on the application will result in a revocation of admission regardless of when the misrepresentation is discovered.

### Application Acknowledgment and Supplemental Application

You will receive an acknowledgment from San Diego State University verifying receipt of your application. If you are asked to submit the SDSU Supplemental Application, it will be included in a separate letter.

The questions on the Supplemental Application will help us get to know you better. We would like to know who you are and in what areas you will contribute to our SDSU community. **Failure to return the Supplemental Application will result in denial of admission.**

### Supplementary Admission Criteria

Each campus with **impacted** programs uses supplementary admission criteria in screening applicants. Supplementary criteria may include ranking on the freshman eligibility index, the overall transfer grade point average, completion of specified prerequisite courses, and a combination of campus-developed criteria. If you are required to submit scores on either the SAT I or the ACT, you should take the test no later than October if applying for admission.

The supplementary admission criteria used by the individual campuses to screen applicants appear periodically in the **CSU Review** and are sent by the campuses to all applicants seeking admission to an **impacted** program.

Unlike unaccommodated applicants to locally **impacted** programs who may be redirected to another campus in the same major, unaccommodated applicants to systemwide **impacted** programs may not be redirected in the same major but may choose an alternate major either at the first choice campus or another campus.

### Undergraduate Admission Requirements

#### First-Time Freshman Requirements

As San Diego State University has become an increasingly popular campus, known for the quality of its academic and student support programs, admission criteria beyond those required by the CSU system are used for making admission decisions. Because the number of qualified applicants to SDSU exceeds the number of spaces available for admission, the eligibility index necessary for admission will be substantially higher than the CSU minimum needed for consideration.

The following are the **minimum** requirements for admission consideration and **do not** guarantee admission to San Diego State University.

To be considered for admission to San Diego State University, you

1. must submit ACT or SAT I test scores (regardless of high school grade point average)
2. must be a high school graduate.
3. have a qualified eligibility index (See "Eligibility Index," below), and
4. have completed the subject requirements with a grade of C or higher by the semester or term designated in "Subject Requirements" below.

#### Test Scores

Freshman applicants must submit scores from either the Scholastic Aptitude Test (SAT) or the American College Test (ACT). You should take the test as early as possible, but not later than early October if applying for Fall admission. You may get registration forms and dates for these tests from your high school or college counselors or from the SDSU Test Office. Or, you may write to or call:

The College Board (SAT I) Registration Unit, Box 6200 Princeton, New Jersey 08541 (609) 771-7588	American College Testing Program (ACT) Registration Unit, P.O. Box 414 Iowa City, Iowa 52243 (319) 337-1270
---	---

Official scores should be requested from the testing service at the time you register and sent directly to SDSU (SDSU's SAT I code is 4682; SDSU's ACT code is 0398).

#### Eligibility Index

The eligibility index is the combination of your high school grade point average and your scores on either the American College Test (ACT) or the Scholastic Aptitude Test (SAT I). Your grade point average is based on grades earned during your final three years of high school and bonus points for approved honors courses (excluding grades earned in physical education or military science courses). Up to eight semesters of honors courses taken in the last two years of high school can be accepted. Each unit of A in an honors course will receive a total of 5 points; B, 4 points; and C, 3 points. No honor points are given for D or F grades.

You can **calculate your eligibility index** by multiplying your grade point average by 800 and adding your total score on the SAT I. Or, if you took the ACT, multiply your grade point average by 200 and add ten times the composite score from the ACT.
