

CURRICULUM VITAE

Amanda C. McClain

Assistant Professor

Building on Inclusive Excellence Faculty
School of Exercise and Nutritional Sciences
San Diego State University
5500 Campanile Drive
San Diego, CA 92182-1308
(619) 594-7272
amccclain@sdsu.edu

Director of the [Food Access Research for Equity in Nutrition \(FARE Nutrition\)](#) Research Lab

EDUCATION

2016 PhD	Cornell University Nutritional Sciences (Specialization: Community Nutrition. Minors: Development Sociology, Human Development)
2005 MS	The University of Memphis Human Movement Sciences (Concentration: Health Promotion)
2002 BS	University of Evansville Sports Medicine (Minor: Biology)

TEACHING AND RESEARCH POSITIONS

August 2018 – Present San Diego State University	Assistant Professor School of Exercise and Nutritional Sciences
June 2016 – July 2018 Harvard T.H. Chan School of Public Health	National Institutes of Health T32 Postdoctoral Research Fellowship Department of Nutrition
August 2013 – July 2015 Cornell University	Graduate Research Assistant (Funded by RIDGE Center for Targeted Studies (USDA Economic Research Service)) Division of Nutritional Sciences
January – May 2012 Cornell University	Graduate Assistant (Funded by Federal Formula Funds, USDA/Cornell University Agricultural Extension Station) Division of Nutritional Sciences
August 2010 – May 2016 Cornell University	Teaching Assistant Division of Nutritional Sciences
January 2005 – March 2010	Research Associate

PROFESSIONAL GROWTH

Refereed Journal Articles

BEFORE TENURE

*student mentee

†senior author

††shared first authorship

1. Senn, M.K., Goodarzi, M.O., Ramesh, G., Allison, M.A., Graff, M., Young, K.L., Talavera, G.A., **McClain, A.C.**, Garcia, T.P., Rotter, J.I., & Wood, A.C. (2023). Associations between avocado intake and measures of glucose and insulin homeostasis in Hispanic individuals with and without Type 2 Diabetes: Results from the Hispanic Community Health Study / Study of Latinos (HCHS/SOL). *Nutrition, Metabolism and Cardiovascular Diseases*. DOI: 0.1016/j.numecd.2023.08.002. Journal Quartile: 2; Acceptance Rate of the Journal: 23%; Impact Factor: 3.9; Cited by: 1. Contribution: Reviewed and revised multiple versions of the manuscript; Approved final manuscript.
2. **McClain, A.C.**, †† Johnson, C.M., †† DiRado-Owens, C., & Dickin, K.L. (2023). How do Latina/o parents interpret and respond to the U.S. Household Food Security Survey Module? A qualitative cognitive interviewing study. *Journal of the Academy of Nutrition and Dietetics*, 123(10), S25-S45. DOI: 10.1016/j.jand.2023.07.007. Part of special issue, [25 Years of Food Security Measurement: Answered Questions and Further Research](#). Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 6.524. Contribution: Co-Principal Investigator of the grant; Co-directed data collection; Co-conducted analysis; Co-wrote and revised manuscript; Corresponding author.
3. Morales, L.*, Yowell, L.*, Molina, T.*, Smith, C.*, Arizcuren, J.*, **McClain A.C.**† (2023). Cross-agency partnerships and within-agency capacities facilitate holistic, tailored approaches to addressing food insecurity: a qualitative study. *Journal of the Academy of Nutrition and Dietetics*. DOI: 10.1016/j.jand.2023.07.024. Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 6.524. Contribution: Principal Investigator of the grant; Directed and conducted data collection; Directed and conducted analysis; Supervised student manuscript development; Corresponding author.
4. Peters, B.A., Xing, J., Chen, G-C., Usyk, M., Wang, Z., **McClain, A.C.**, Thyagarajan, B., Daviglius, M.L., Sotres-Alvarez, D., Hu, F.B., Knight, R., Burk, R.D., Kaplan, R.C., & Qi, Q. (2023). Healthy dietary patterns are associated with the gut microbiome in the Hispanic Community Health Study/Study of Latinos (HCHS/SOL). *The American Journal of Clinical Nutrition*, 117(3), 540-552. DOI: 10.1016/j.ajcnut.2022.11.020. Journal Quartile: 1; Acceptance Rate of the Journal: 25%; Impact Factor: 8.472; Cited by: 2. Contribution: Reviewed and revised manuscript; Approved final manuscript.
5. Bezares, N., **McClain, A.C.**, Tamez, M., Rodriguez-Orengo, J.F., Tucker, K.L., & Mattei, J. (2023; *Online ahead of print in 2022*). Association between consumption of foods-away-from-home and diet quality in San Juan, Puerto Rico. *Journal of the Academy of Nutrition and Dietetics*, 123(1), 95-108. DOI: 10.1016/j.jand.2022.06.009. Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 6.524; Cited by: 3. Contribution: Mentored first author on analyses; Reviewed and revised manuscript; Approved final manuscript.
6. Guzman, P.G.*, Lange, J.E., & **McClain, A.C.**† (2022). The association between food security status and psychological distress and loneliness among full-time undergraduate students at a minority-serving institution. *International Journal of Environmental Research and Public Health*, 19(22), 15245. DOI: 10.3390/ijerph192215245.

- Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 5.4; Cited by: 1.
Contribution: Analyzed data; Supervised student research questions and manuscript development;
Corresponding author.
7. Bhutani, S. & **McClain, A.C.** (2022). Body fat moderates the association of olfactory dysfunction with dietary intake in U.S. middle-aged and older adults: a cross-sectional analysis of NHANES 2013-2014. *Nutrients*, 14(15), 3178. DOI: 0.3390/nu14153178.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 5.9; Cited by: 2.
Contribution: The first author and I equally shared all responsibilities of the research and manuscript development.
 8. **McClain, A.C.**, Cory, H., & Mattei, J (2022). Childhood food insufficiency and adulthood cardiometabolic health among a population-based sample of older adults in Puerto Rico. *Social Science & Medicine- Population Health*, 17, 101066. DOI: 10.1016/j.ssmph.2022.101066.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 4.7; Cited by: 3.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript; Mentored second author; Corresponding author.
 9. Maldonado, L.E., Sotres-Alvarez, D., Mattei, J., Perreira, K.M., **McClain, A.C.**, Gallo, L.C., Isasi, C.R., & Albrecht, S.S. (2022). Food insecurity and cardiometabolic markers: results from the Study of Latino Youth. *Pediatrics*, 149(4), e2021053781. DOI: 10.1542/peds.2021-053781.
Journal Quartile: 1; Acceptance Rate of the Journal: 10%; Impact Factor: 8.0; Cited by: 4.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
 10. López-Cepero, A., **McClain, A.C.**, Rosal, M.C., Tucker, K.L., & Mattei, J. (2022). Examination of the allostatic load construct and its longitudinal association with health outcomes in the Boston Puerto Rican Health Study. *Psychosomatic Medicine*, 84(1), 104-115. DOI: 10.1097/PSY.0000000000001013.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 3.3; Cited by: 2.
Contribution: Reviewed and revised multiple versions of the manuscript; Approved final manuscript.
 11. Vercammen, K.A., Moran, A., Carnethon, M., **McClain, A.C.**, Pool, L.R., Kiefe, C.I., Carson, A.P., Gordon-Larsen, P., Steffen, L., Young, J., & Rimm, E.B. (2022). A longitudinal analysis of food insufficiency and cardiovascular disease risk factors in the Coronary Artery Risk Development in Young Adults Study. *American Journal of Preventive Medicine*, 62(1), 65-76. DOI: 10.1016/j.amepre.2021.06.020.
Journal Quartile: 1; Acceptance Rate of the Journal: 16%; Impact Factor: 5.5; Cited by: 4.
Contribution: Provided input to first author on the data request from the cohort; Reviewed and revised manuscript; Approved final manuscript.
 12. Caceras, B.A., Bynon, M., Doan, D., Makarem, N., **McClain, A.C.**, & VanKim, N. (2022). Diet, food insecurity, and cardiovascular disease risk in sexual and gender minority adults. *Current Atherosclerosis Reports*, 24(1), 41-50. DOI: 10.1007/s11883-022-00991-2.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 5.8; Cited by: 6.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
 13. **McClain, A.C.**, Gallo, L.C., & Mattei, J. (2022, *Online ahead of print in 2021*). Subjective social status and cardiometabolic risk markers by intersectionality of race/ethnicity and sex among U.S. young adults. *Annals of Behavioral Medicine*, 56, 442-460. DOI: 10.1093/abm/kaab025.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 3.8; Cited by: 3.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript; Corresponding author.
 14. **McClain, A.C.**, Evans, G.W., & Dickin, K.L. (2021). Maternal stress moderates the relationship of food insufficiency with body mass index trajectories from childhood to early adulthood among U.S. rural youth. *Childhood Obesity*, 17(4), 263-271. DOI: 10.1089/chi.2020.0284.
Journal Quartile: 2; Acceptance Rate of the Journal: N/A; Impact Factor: 2.5; Cited by: 4.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript; Corresponding author.

15. **McClain, A.C.**, Xiao, R.S., Tucker, K.L. Falcón, L.M. & Mattei, J. (2021). Depressive symptoms and allostatic load have a bidirectional association among Puerto Rican older adults. *Psychological Medicine*, 1-13. DOI:10.1017/S0033291720005139.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 6.9; Cited by: 8.
Contribution: Conducted analyses; Wrote and revised manuscript.
16. German, C., Makarem, N., Fanning, J., Redline, S., Elfassy, T., **McClain, A.C.**, Abdalla, M., Aggarwal, B., Allen, N., & Carnethon, M. (2021). Sleep, Sedentary Behavior, Physical Activity and Cardiovascular Health: MESA. *Medicine & Science in Sports and Exercise*, 53(4), 724-731. DOI: 10.1249/MSS.0000000000002534.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 4.1; Cited by: 20.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
17. Figueroa, R., Isasi, C.R., Perreira, K.M., **McClain, A.C.**, Gallo, L.C., Sotres-Alvarez, D., Delamater, A.M., Daviglius, M., Van Horn, L., & Mattei, J. (2020). Targeting family functioning, acculturative stress, and sugar-sweetened beverage consumption for obesity prevention: Findings from the Hispanic Community Health Study/Study of Latino Youth. *BMC Public Health*, 20, 1546. DOI: 10.1186/s12889-020-09658-6.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 4.5; Cited by: 9.
Contribution: Reviewed and revised several drafts of the manuscript; Approved final manuscript.
18. Moore, J., **McClain, A.** & Hong, M.Y. (2020). Dietary supplement use in the US: prevalence, trends, pros and cons. *Nutrition Today*, 55(4), 174-181. DOI: 10.1097/NT.0000000000000402.
Journal Quartile: N/A; Acceptance Rate of the Journal: N/A; Impact Factor: N/A; Cited by: 14.
Contribution: Provided statistical consultation.
19. **McClain, A.C.**, Tucker, K.L. Falcón, L.M. & Mattei, J. (2019). Food insecurity and dietary intake by Supplemental Nutrition Assistance Program participation status among mainland U.S. Puerto Rican adults after the 2009 American Recovery and Reinvestment Act. *Public Health Nutrition*, 9, 1-10. DOI: 10.1017/S1368980019002209.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 3.2; Cited by: 5.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript.
20. Vercammen, K.A., **McClain, A.C.**, Tucker, K.L., Falcón, L.M., & Mattei, J. (2019). The association between baseline acculturation level and 5-year change in adiposity among Puerto Ricans living in the mainland United States. *Preventive Medicine Reports*, 13, 314-320. DOI: 10.1016/j.pmedr.2019.01.012.
Journal Quartile: 2; Acceptance Rate of the Journal: 51%; Impact Factor: 2.8; Cited by: 7.
Contribution: Mentored first author on study design and analyses; Reviewed and revised manuscript; Approved final manuscript.
21. Vercammen, K.A., Moran, A.J., **McClain, A.C.**, Thorndike, A.N., Fulay, A.P., Rimm, E.B. (2019). Food security status and predicted 10-year cardiovascular disease risk among adults in the United States. *American Journal of Preventive Medicine*, 56 (5), 689-697. DOI: 10.1016/j.amepre.2018.11.016.
Journal Quartile: 1; Acceptance Rate of the Journal: 16%; Impact Factor: 5.5; Cited by: 76.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
22. **McClain, A.C.**, Dickin, K.L., & Dollahite, J.S. (2019). Life course influences on food provisioning among low-income, Mexican-born mothers with young children at risk of food insecurity. *Appetite*, 132, 8-17. DOI: 10.1016/j.appet.2018.09.014.
Journal Quartile: 1; Acceptance Rate of the Journal: 26%; Impact Factor: 5.4; Cited by: 18.
Contribution: Co-principal investigator of grant; Developed research questions; Collected data; Conducted analyses; Wrote and revised manuscript. Corresponding author.
23. Mattei, J., **McClain, A.C.**, Falcón, L.M., Noel, S.E., & Tucker, K.L. (2018). Dietary acculturation among Puerto Rican adults varies by acculturation construct and dietary measure. *Journal of Nutrition*, 148(11), 1804-1813. DOI: 10.1093/jn/nxy174.
Journal Quartile: 1; Acceptance Rate of the Journal: 23%; Impact Factor: 4.2; Cited by: 27.
Contribution: Created data tables; Wrote part of the manuscript; Reviewed and revised manuscript; Approved final manuscript.

24. **McClain, A.C.**, Xiao, R.S., Gao, X., Tucker, K.L. Falcón, L.M. & Mattei, J. (2018). Food insecurity and odds of high allostatic load in Puerto Rican adults: the role of participation in the Supplemental Nutrition Assistance Program (SNAP) during 5 years of follow-up. *Psychosomatic Medicine*, 80(8), 733-741. DOI: 10.1097/PSY.0000000000000628.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 3.3; Cited by: 42.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript.
25. **McClain, A.C.**, Ayala, G.X., Sotres-Alvarez, D., Siega-Riz, AM., Kaplan, R.C., Gellman, M.D., Gallo, L.C., Van Horn, L., Daviglius, M.L., Perera, M.J., Mattei, J. (2018). Frequency and type of away-from-home foods consumption are associated with diet quality in the Hispanic Community Health Study/Study of Latinos (HCHS/SOL). *Journal of Nutrition*, 148, 453-463.
DOI: 10.1093/jn/nxx067.
Journal Quartile: 1; Acceptance Rate of the Journal: 23%; Impact Factor: 4.2; Cited by: 34.
Contribution: Developed research questions; Conducted analyses; Wrote and revised manuscript.
26. Bostic, S.B., & **McClain, A.C.** (2017). Older adults' cooking trajectories: shifting skills and strategies. *British Food Journal*, 119, 5, 1102-1115. DOI: 10.1108/BFJ-09-2016-0436.
Journal Quartile: 2; Acceptance Rate of the Journal: N/A; Impact Factor: 3.4; Cited by: 20.
Contribution: Wrote part of manuscript; Reviewed and revised manuscript; Approved final manuscript.
27. Archer, E., Groessl, E.J., Sui, X., **McClain, A.C.**, Wilcox, S., Hand, G.A., Meriwether, R., & Blair, S.N. (2012). An economic analysis of traditional and technology-based approaches to weight loss: LEAN study cost effectiveness. *American Journal of Preventive Medicine*, 43(2), 176-182.
DOI: 10.1016/j.amepre.2012.04.018.
Journal Quartile: 1; Acceptance Rate of the Journal: 16%; Impact Factor: 5.5; Cited by: 37.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
28. Sieverdes, J.C., Sui, X., Hand, G.A., Barry, V.W., Wilcox, S., Meriwether, R.A., Hardin, J.W., **McClain, A.C.**, & Blair, S.N. (2011). Cardiometabolic results from an armband-based weight loss trial. *Diabetes, Metabolic Syndrome and Obesity: Targets and Therapy*, 4, 187-194.
DOI: 10.2147/DMSO.S18649.
Journal Quartile: 2; Acceptance Rate of the Journal: 23%; Impact Factor: 3.3; Cited by: 10.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
29. Shuger, S.L., Barry, V.W., Sui, X., **McClain, A.**, Hand, G.A., Wilcox, S., Meriwether, R.A., Hardin, J.W., & Blair, S.N. (2011). Electronic feedback in a diet-and physical activity-based lifestyle intervention for weight loss: a randomized controlled trial. *International Journal of Behavioral Nutrition and Physical Activity*, 8, 41-48. DOI: 10.1186/1479-5868-8-41.
Journal Quartile: 1; Acceptance Rate of the Journal: N/A; Impact Factor: 8.7; Cited by: 250.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
30. Barry, V.W., **McClain, A.C.**, Shuger, S., Sui, X., Hardin, J.W., Hand, G.A., Wilcox, S., & Blair, S.N. (2011). Using a technology-based intervention to promote weight loss in sedentary overweight or obese adults: a randomized controlled trial study design. *Diabetes Metabolic Syndrome and Obesity: Targets and Therapy*, 4, 67-77. DOI: 10.2147/DMSO.S14526.
Journal Quartile: 2; Acceptance Rate of the Journal: 23%; Impact Factor: 3.3; Cited by: 30.
Contribution: Wrote part of manuscript; Reviewed and revised manuscript; Approved final manuscript.
31. Wilcox, S., Parra-Medina, D., Felton, G., Poston, M.B., **McClain, A.** (2010). Adoption and implementation of physical activity and dietary counseling by community health center providers and nurses. *Journal of Physical Activity and Health*, 7(5), 602-612. DOI: 10.1123/jpah.7.5.602.
Journal Quartile: 2; Acceptance Rate of the Journal: 20%; Impact Factor: 3.1; Cited by: 45.
Contribution: Reviewed and revised manuscript; Approved final manuscript.
32. Sieverdes, J.C., Sui, X., Lee, D.C., Church, T.S., **McClain, A.**, Hand, G.A., Blair, S.N. (2010). Physical activity, cardiorespiratory fitness, and the incidence of Type 2 Diabetes in a prospective study of men. *British Journal of Sports Medicine*, 44(4), 238-244. DOI: 10.1136/bjism.2009.062117.
Ranking of the Journal: 1; Acceptance Rate of the Journal: 20%; Impact Factor: 18.4; Cited by: 158.
Contribution: Reviewed and revised manuscript; Approved final manuscript.

(2023, July). *Associations between avocado intake and dysglycemia in adults: results from the Hispanic Community Health Study/Study of Latinos (HCHS/SOL)*. Poster presentation at the annual meeting of the American Society for Nutrition, Boston, MA.
- McClain, A.C.**, Johnson, C.M., & Dickin, K.I. (2023, June). *Managing household food security in the U.S.: perspectives of heritage-diverse Latinx caregivers of children*. Oral presentation at the annual meeting of

- the International Society of Behavioral Nutrition and Physical Activity, as part of the symposium, *Food insecurity in context: capturing lived experiences and exploring implications for research and policy*.
- Makarem, N., Hosalli, R., Dinh, V., Caceras, B.A., **McClain, A.C.**, Mullachery, P., & Odayme, Q. (2023, February/March). *Status of Cardiovascular Health in US Immigrants Using the AHA's Life's Essential 8 Metrics: Prevalence Estimates and Social Determinants From the 2013-2018 National Health and Nutrition Examination Survey*. Moderated poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Boston, MA.
- Bhutani, S. & **McClain, A.C.** (2022, November). *The Influence of Olfactory Dysfunction on Poor Diet Intake is Moderated by Body Fat in the US Adults*. Poster presentation at the annual meeting of The Obesity Society, San Diego, CA.
- Cordero, C., Sotres-Alvarez, D., Llabre, M.M., Delamater, A.M., Gellman, M.D., Isasi, C.R., Gallo, L.C., Van Horn, L., LeCroy, M.N., **McClain, A.C.**, Daviglius, M., & Siega-Riz, A.M. (2022, June). *Maternal weight trajectories and eating behaviors in the Study of Latinos Family Lifestyles Outcome Research (SOL-FLOR)*. Poster presentation at the annual meeting of The Society for Pediatric and Perinatal Epidemiological Research (SPER), Chicago, IL.
- McClain, A.C.**, Castro, R.*, Ayala, G.X., Mattei, J., Isasi, C.R., Talavera, G.A., Perreira, K.M., Mossavar-Rahmani, Y., Sotres-Alvarez, D., Daviglius, M., Van Horn, L., & Gallo, L. (2022, May). *Characterizing household food security status, perceived neighborhood food environment, and food shopping behaviors among U.S. Hispanic/Latino families using latent class analysis*. Poster presentation at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity, Phoenix, AZ.
- McClain, A.C.**, and Johnson, C.M. (2022, April). *Measuring food insecurity in Latinx families: Expanding understanding of their experiences through exploratory interviewing and cognitive testing*. Oral presentation at USDA-Tufts FoodSec25 e-Conference: 25 years of Food Security Measurement.
- López-Cepero, A., **McClain, A.C.**, Caballero, A.E., Rodríguez-Orengo, J.F., & Mattei, J. (2022, April). *The association of emotional eating with dietary intake in Puerto Rico before and during the COVID-19 pandemic*. Poster presentation at the annual meeting of the Society of Behavioral Medicine.
- Peters, B.A., Xing, J., Chen, G-C., Usyk, M., Weng, Z., **McClain, A.C.**, Thyagarajan, B., Daviglius, M.L., Sotres-Alvarez, D., Hu, F.B., Knight, R., Burk, R.D., Kaplan, R.C., & Qi, Q. (2022, March). *Healthy dietary patterns are associated with the gut microbiome in the Hispanic Community Health Study/Study of Latinos (HCHS/SOL)*. Poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Chicago, IL.
- Flomenbaum, D., April-Sanders, A., Lee, UJ., Kaplan, R., Mossavar-Rahmani, Y., Ostfeld, R.J., Sotres-Alvarez, D., Mattei, J., **McClain, A.C.**, Daviglius, M., Kansal, M.M., Van Horn, L., Shook-Sa, B.E., & Rodriguez, C.J. (2021, November). *Associations between diet adherence scores and cardiac structure and function in the Hispanic Community Health Study/Study of Latinos*. Moderated digital poster presentation at the American Heart Association Scientific Sessions.
- Flomenbaum, D., April-Sanders, A., Lee, UJ., Kaplan, R., Mossavar-Rahmani, Y., Ostfeld, R.J., Sotres-Alvarez, D., Mattei, J., Daviglius, M., Kansal, M.M., **McClain, A.C.**, Hurwitz, B.E., Shook-Sa, B.E., & Rodriguez, C.J. (2021, November). *Associations of macronutrient and sodium intake with cardiac structure and function in the Hispanic Community Health Study/Study of Latinos*. Moderated digital poster presentation at the American Heart Association Scientific Sessions.
- McClain, A.C.** (2021, September). *Identifying community-based capacities to reduce food insecurity in San Diego*. E-poster presentation National Institutes of Health Food Insecurity, Neighborhood Food Environment, and Nutrition Health Disparities: State of the Science.
- Lopez-Cepero, A., Marrero, A., **McClain, A.C.**, Caballero, A.E., Rodríguez-Orengo, J.F., & Mattei, J. (2021, September). *Food access and diabetes healthcare during the COVID-19 pandemic in Puerto Rico*. E-poster presentation National Institutes of Health Food Insecurity, Neighborhood Food Environment, and Nutrition Health Disparities: State of the Science.
- Morales, L.*, Yowell, L.*, Fajardo, J.*, Ibarra, J.*, Romero, E.*, Hernandez, Y.*, & **McClain, A.C.†** (2021, June). *"You can sort of put yourselves together like a puzzle": across-agency partnership attributes for*

- combating food insecurity in San Diego County*. E-poster presentation at the annual meeting of the American Society for Nutrition.
- Chow, C.***, **Kim, J.***, Carnethon, M., Schreiner, P., Steffen, L., Carson, A., Kershaw, K., Gunderson, E., Pool, L., & **McClain, A.C.** † (2020, June). *The Relationship Between Household Food Insecurity and Development of Type 2 Diabetes over 10 Years in a Sample of U.S. Black and White Adults*. E-poster presentation at the annual meeting of the American Society for Nutrition.
- Caceres, B.A., **McClain, A.C.**, Makarem, N., Zollweg, S., & Mujahid, M.S. (2020, March). *Neighborhood social cohesion and CVD risk factors in lesbian, gay, and bisexual adults*. Oral presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Phoenix, AZ.
- McClain, A.C.**, Gallo, L.C., Isasi, C.R., Kaplan, R., Cardel, M.I., Estrella, M.L., Thyagarajan, B., Zeng, D., Ferreira, K.M., Daviglius, M.L., Talavera, G.A., Mattei, J. (March, 2020). *Association of subjective social status with allostatic load in the Hispanic Community Health Study/Study of Latinos (HCHS/SOL)*. Poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Phoenix, AZ.
- German, C., Makarem, N., Fanning, J., Redline, S., Elfassy, T., **McClain, A.C.**, Abdalla, M., Aggarwal, B.A., Allen, N.B., & Carnethon, M.R. (March, 2020) *Reallocating sedentary behavior with sleep or physical activity is associated with favorable cardiovascular health in the Multi-Ethnic Study of Atherosclerosis: MESA*. Poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Phoenix, AZ.
- McClain, A.C.** & Ayala, G.X. (2019, June). *Number of different types of food provisioning strategies and adult food security status among U.S.-representative households*. Poster presentation at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity, Prague, Czech Republic.
- German, C.A., **McClain, A.C.**, & Elfassy, T. (2019, March). *Associations between steps and years of potential life lost in the U.S population*. Moderated poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, Houston, TX.
- Mattei, J., **McClain, A.C.**, Falcón, L.M., Noel, S.E., Tucker, K.L. *Acculturation, diet quality, and dietary patterns in Puerto Rican adults living in the mainland United States*. (2018, November). Poster presentation at the annual meeting of the American Public Health Association, San Diego, CA.
- McClain, A.C.**, Dickin, K.L., & Evans, G.W. (2018, November). *Maternal stress moderates the relationship of household food insufficiency with body mass index trajectories among rural adolescents*. Oral presentation at the American Public Health Association annual meeting, San Diego, CA.
- McClain, A.C.** & Mattei, J. (2018, November). *Association of subjective social status with cardiometabolic risk markers in diverse young adult women*. Oral presentation at the American Public Health Association annual meeting, San Diego, CA.
- Palma, X.***, **McClain, A.C.**, Mattei, J. (2018, November). *Consumo de grupos de alimentos pro region en Chile: resultados de la Encuesta Nacional de Consumo de Alimentos, 2010-2011*. Poster presentation at La Sociedad Latinoamericana de Nutrición Congress, Guadalajara, México.
- McClain, A.C.**, Tucker, K.L. Falcón, L.M. & Mattei, J. (2018, June). *Food insecurity and diet intake by Supplemental Nutrition Assistance Program receipt among Boston-Puerto Rican adults after the 2009 American Recovery and Reinvestment Act*. Oral presentation at the American Society for Nutrition Annual Meeting, Boston, MA.
- Kalyoncu, Z.B.***, **McClain, A.C.**, Davison, K.K. (2018, June). *Assessing dietary acculturation among first-generation immigrants: a scoping review*. Oral presentation at the American Society for Nutrition Annual Meeting, Boston, MA.
- McClain, A.C.** & Mattei, J. (2018, March). *Childhood food insufficiency and adulthood cardiometabolic health among a population-based sample of elderly adults in Puerto Rico*. Poster presentation at the annual meeting of the American Heart Association Epidemiology | Lifestyle Sessions, New Orleans, LA.
- McClain, A.C.**, Xiao, R.S., Gao, X., Tucker, K.L. Falcon, L.M. & Mattei, J. (2017, November). *Food insecurity, food assistance, and 5-year odds of high allostatic load in Puerto Rican older adults*. Poster presentation at the annual meeting of the American Public Health Association, Atlanta, GA.

- McClain, A.C.**, Dickin, K.L., & Dollahite, J. (2017, June). *Cultural and life course influences on food provisioning among low-income, Mexican-origin mothers in in the U.S.* Poster presentation at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity annual meeting, Victoria, B.C., Canada. **Awarded an Early Career Researcher Award.**
- McClain, A.C.**, Gaines, A., & Dollahite, J.S. (2017, April). “*If the money doesn’t go far enough for me, but that it be for [my daughters].*” *Food provisioning for food security among low-income, Mexican-origin mothers of young children.* Oral presentation at the Future of Food and Nutrition Conference, Tufts University, Boston, MA.
- McClain, A.C.**, Dickin, K.L., & Dollahite, J. (2015, June). *Life course influences on food acquisition and preparation strategies among Mexican-origin mothers in New York State.* Poster presentation at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity annual meeting, Edinburgh, Scotland.
- McClain, A.C.**, Dickin, K.L., Dollahite, J., & Gurak, D.T. (2015, March). *Country and region of origin predict risk of food insecurity among Hispanic-born in US.* Oral presentation presented at the Experimental Biology conference, Boston, MA.
- McClain, A.C.** & Dollahite, J. (2014, May). *Contextual influences on food security and use of coping strategies among low income, urban and rural Mexican-origin mothers living New York State.* Oral presentation presented at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity, San Diego, CA. Part of a submitted and accepted symposium, *Considering the complex influences on health in a receiving country: How immigrant women and families navigate and negotiate health and nutrition practices.*
- McClain, A.C.**, Wilcox, S., Parra-Medina, D., & Salinas, J. (2012). *Reducing Dietary Fat Intake in African American Women through a Tailored, Community Health Care-Based Intervention and Telephone Counseling.* Poster presentation at the annual meeting of the International Society of Behavioral Nutrition and Physical Activity, Austin, Texas.
- McClain A.C.**, Dollahite J., Greer, B., Idris R., Kurzynske J., Moustaid-Moussa N., Shultz J.A., & Sigman-Grant M. (2013). Take time for kids: Perceptions of the parental role in supporting healthy child activity and eating behaviors. Poster presentation at the annual meeting of the Society for Nutrition Education and Behavior, Portland, OR.
- Wilcox S., Parra-Medina D., Felton G., Poston M.B., **McClain A.** (2008). *Adoption and Implementation of a Physical Activity and Low Fat Diet Intervention in Community Health Centers.* Poster presentation at the Society of Behavioral Medicine, San Diego, CA.
- McClain, A.C.**, Wilcox, S., & Parra-Medina, D. (2006, November). *Baseline dietary fat intake and stages of change for African American women enrolled in a CVD risk reduction program: Preliminary results.* Oral session presented at the annual meeting of the American Public Health Association, Boston, MA.
- McClain, A.C.**, Wilcox, S., & Parra-Medina, D. (2005). *A tailored and personalized approach to cardiovascular risk reduction for financially disadvantaged African American women in South Carolina.* Poster presentation at the annual research summit of the South Carolina Nutrition Research Consortium, Columbia, SC.

Scholarly Awards and Honors

BEFORE TENURE

1. **Early Career Researcher Award** at the 2017 annual meeting of the International Society for Behavioral Nutrition and Physical Activity (Victoria, BC, Canada) for poster presentation titled, *Cultural and Life Course Influences on Food Provisioning among Low-Income, Mexican-Origin Mothers with Young Children in the U.S.*
2. Featured researcher in 2013 Cornell University Annual Report
3. Graduate Student Research Spotlight, Cornell University Graduate School (2013)

Invited Research Presentations

BEFORE TENURE

1. **McClain, A.C.** (September 2021). *Food security, dietary quality, and cardiometabolic health*. Harvard Chan Department of Nutrition Monday Nutrition Seminar, Virtual.
2. **McClain, A.C.** (May 2021). *Existing capital (assets) promoting food security and healthy diets for low-income Hispanics/Latinos*. San Diego State University Research Foundation, PI lunchtime lecture series, San Diego, CA.
3. **McClain, A.C.** & Mattei, J. (Summer 2017). *Qualitative data analysis*. Workshop presentation at Harvard University, T.H. Chan School of Public Health, Boston, MA.
4. **McClain, A.C.** & Dollahite, J. (November 2014). *Contextual influences on food security and use of coping strategies among low income, urban and rural Mexican-origin mothers living New York State*. Oral presentation at Cornell Cooperative Extension Food and Nutrition Education in Communities Fall Update Meeting, Ithaca, NY.
5. **McClain, A.C.** (October 2013). *Contextual influences on household and child food security among Mexican-origin families in New York State*. Oral presentation at Cornell University Trustee Council Annual Meeting, Ithaca, NY.

Other Contributions

BEFORE TENURE

1. **Pre-Conference Workshop Facilitator**, 2023, Cognitive interviewing for improved measurement in behavioral nutrition and physical activity, International Society of Behavioral Nutrition and Physical Activity, Uppsala, Sweden
2. **Former Scholar Consultant**, 2022, Mixed Methods Research Training Program for the Health Sciences, Johns Hopkins University
3. **Invited Expert Reviewer**, 2021, Standards for aligning the food and agriculture sector with the UN Sustainable Development Goals (SDGs), *Fixing the Business of Food Initiative*, Columbia University Center on Sustainable Investment (CCSI)

Funded Research Grants

BEFORE TENURE

1. **\$9,000** – Student assistance funding supplement to ‘The People’s Produce Mobile Farmers’ Market: Bringing nutritious food and health literacy to BIPOC populations throughout Greater Southeastern San Diego’, **PI**, San Diego State University Summer Undergraduate Research Program Funding – Match (Nyla McGlory and Andrea Meza), Acceptance Rate: not disclosed, Summer and Fall 2023.
2. **\$35,000**- Engaging stakeholders to increase healthy food access in Greater Southeastern San Diego, **Consultant**, U.S. Department of Agriculture National Institute of Food and Agriculture- Community Food Projects grant, 2022-2023
3. **\$192,000**- The People’s Produce Mobile Farmers’ Market: Bringing nutritious food and health literacy to BIPOC populations throughout Greater Southeastern San Diego, **Consultant**, University of California San Diego Center for Community Health Advancing Health Literacy Program grant, 2022-2023
4. **\$6,000** – Student assistance funding supplement to ‘Measuring food insecurity in Latinx families: expanding understanding of their experiences through exploratory interviewing and cognitive testing’, **PI**, San Diego State University Summer Undergraduate Research Program Funding (Brianna Flores), Acceptance Rate: not disclosed, Summer and Fall 2021.
5. **\$100,000** - Measuring food insecurity in Latinx families: expanding understanding of their experiences through exploratory interviewing and cognitive testing, **Co-PI**, U.S. Department of Agriculture Economic Research Service-Tufts 25 Years of Food Security Measurement (59-4000-0-0067, subaward #AG9033), Acceptance Rate: 17%, 2021-2022.
6. **\$7,500** - Addressing food insecurity during the COVID-19 pandemic: perceptions of key informants at stakeholder agencies serving the food and nutrition needs of low-income households in San Diego County, **PI**, San Diego State University Emergency Funding to Hire Student Assistance with Research, Scholarship, and Creative Activities Program (Brianna Flores & Trisha Molina), Acceptance Rate: not disclosed, March-August 2021.
7. **\$50,000** - The role of neighborhood and household food environments and food shopping behaviors in shaping diet quality and glucose metabolism among Hispanic/Latino youth and their caregivers, **PI**, Einstein School of Medicine NIDDK-Funded New York Regional Center for Diabetes Translation Research Pilot & Feasibility Grant, Acceptance Rate: not disclosed, 2020-2022.
8. **\$10,000** - Food access and security, healthcare, and glycemic control among adults with diabetes during the COVID-19 pandemic, **Co-I**, Puerto Rico Public Health Trust Grants Program, Acceptance Rate: not disclosed, 2020-2021.
9. **\$1,000** – Student assistance funding supplement to ‘Existing capital promoting food security and a healthy diet for low-income Hispanics/Latinos in San Diego County: perspectives of key informants at community stakeholder organizations,’ **PI**, SDSU School of Exercise and Nutritional Sciences Thomas L. McKenzie Student Research Grant (Lauren Yowell), Acceptance Rate: not disclosed, 2020-2021.
10. **\$3,000** - Student assistance funding supplement to ‘Existing capital promoting food security and a healthy diet for low-income Hispanic/Latinos in San Diego County: perspectives of key informants at community stakeholder organizations,’ **PI**, San Diego State University Summer Undergraduate Research Program Funding (Lauren Yowell), Acceptance Rate: not disclosed, Summer 2020.
\$946,498 - Capacity-oriented approaches to food security, diet quality, and cardiovascular disease risk among Hispanics/Latinos, **PI**, National Institutes of Health, National Heart, Lung, and Blood Institute Mentored Research Scientist Development Award K01 (HL150406), Acceptance Rate: 32.8%, 2019-2024.
11. **\$35,000** - Bringing Gardening into the Good Food District: Increasing Gardeners’ Capacity through a Regenerative Community of Practice, **Co-I**, Danone Institute North America One Planet One Health Initiative Innovation Award, Acceptance Rate: 12.9%, 2019-2021.
12. **\$3,000** - Student assistance funding supplement to ‘Existing capital promoting food security and a healthy diet for low-income Hispanic/Latinos in San Diego County: perspectives of key informants at community stakeholder organizations,’ **PI**, San Diego State University Summer Undergraduate Research Program Funding (Yazley Hernandez), Acceptance Rate: 55.6%, Summer 2019.

13. **\$3,500** – Student assistance funding supplement to ‘Household food insecurity as a determinant for developing prediabetes and type 2 diabetes,’ **Mentor**, Cornell University College of Human Ecology Alumni Sponsored Internship Funding (Kim, Joy), Acceptance Rate: not disclosed, Summer 2019.
14. **\$1,200** - Student assistance funding supplement to ‘Community stakeholder perceptions of socioecological factors promoting household food security and healthy diets among low-income, Hispanic/Latinos,’ **PI**, SDSU School of Exercise and Nutritional Sciences Thomas L. McKenzie Student Research Grant (Jonattan Fajardo & Jacqueline Ibarra), Acceptance Rate: 100%, 2019-2010.
15. **\$10,000** - Household food insecurity as a determinant for developing prediabetes and type 2 diabetes, **PI**, San Diego State University University Grants Program, Acceptance Rate: 35.4%, 2019-2020.
16. **\$895.00 + airfare** - Support for presentation of research at the International Society of Behavioral Nutrition and Physical Activity 2017 annual meeting, **PI**, Population Reference Bureau Population and Poverty Research Network (PopPov), Acceptance Rate: not disclosed, 2017.
17. **\$17,000** - Contextual influences on household and child food security as experienced by recent Mexican-origin immigrant mothers with young children, **Co-PI**, U.S. Department of Agriculture Economic Research Service Research Innovation and Development Grants in Economics Center for Targeted Studies Doctoral Dissertation Research Grant, not disclosed, 2013-2015.
18. **\$2,000** - Support for travel to research site, **PI**, Cornell University Graduate School Summer Research Travel Grant, Acceptance Rate: not disclosed, 2013.
19. **\$1,710** - Support for preliminary dissertation research, **PI**, Cornell University Division of Nutritional Sciences Small Grant, Acceptance Rate: not disclosed, 2012-2013.

Grants Submitted

BEFORE TENURE

1. **[Over \$500,000 in direct costs per year]** – Continued renewal of R01HL143792, PROSPECT: Puerto Rico Observational Study of Psychosocial, Environmental, and Chronic disease, **Co-I**, NIH National Heart, Lung, and Blood Institute, R01, Acceptance Rate: not disclosed, 2024-2029. *Submitted.*
2. **\$225,000** – Evaluating the role of BrightSide Produce in shaping food and nutrition security, food purchasing, diet, and health of frequent customers, **Co-PI**, Robert Wood Johnson Foundation Healthy Eating Research, Concept Paper stage, Acceptance Rate: not disclosed. 2023-2025. *Submitted. Not selected for full proposal submission.*
3. **\$997,862** - Walk to Healthy Foods — Modeling Community-Based Assets to Increase Healthy Food Access in Underserved Communities, **Co-PI**, National Science Foundation Civic Innovation Challenge, Track B, Acceptance Rate: not disclosed. 2023-2024. *Not awarded.*
4. **\$750,000** - Leveraging and strengthening Collective Impact Communities to promote nutrition equity among community health center patients, **Co-I**, National Institutes of Health Community Partnerships to Advance Science for Society (ComPASS) program, Acceptance Rate: N/A. 2023-2028. *Not selected for development.*
5. **\$7,000** - Association of perceived limited food availability with food shopping and intake behaviors among U.S. adults, **Mentor** (PhD student, Lucia Canul), Gretchen Swanson Center for Nutrition, Acceptance Rate: not disclosed. 2022-2023. *Not awarded.*
6. **\$7,500** - Understanding the multi-dimensional aspects of food insecurity experiences among Latinx families, **PI**, San Diego State University Seed Grant Program, Acceptance Rate: not disclosed. 2023-2024. *Not awarded.*
7. **\$749,997** - A scalable method and model for promoting nutritious food access and health equity in marginalized communities, **Co-PI**, National Science Foundation Convergence Accelerator Phase I, Acceptance Rate: N/A. 2022-2023. *Waitlisted, Not awarded.*
8. **\$275,000** - Food insecurity, food access, and type 2 diabetes in Hispanic/Latino adults, **Co-I**, NIH National Institute of Diabetes and Digestive and Kidney Diseases Secondary Analyses in Obesity, Diabetes and Digestive and Kidney Diseases R21 PA-18-741, Acceptance Rate: 9.6%, 2021-2023. *Resubmission, not awarded.*

9. **\$50,000** - Development and testing of the feasibility to implement an enhanced version of two federally-funded meal programs for low-income youth in San Diego, **PI**, SDSU HealthLINK Center (funded by NIH National Institute of Minority Health and Health Disparities) pilot funding, Acceptance Rate: N/A, 2020-2022. *Not awarded.*
10. **\$100,000** - The role of neighborhood food environments, food shopping, and food security in shaping diet and weight among Hispanics/Latinos participating in the Supplemental Nutrition Assistance Program (Hispanic Community Health Study/Study of Latinos- Youth study data), **PI**, Robert Wood Johnson Foundation Healthy Eating Research, Concept Paper stage, Acceptance Rate: not disclosed, 2018-2020. *Not selected for full proposal submission.*
6. **\$60,000** - Food insecurity as a determinant for developing prediabetes and type 2 diabetes, **PI**, Nutrition and Obesity Research Center-Harvard Pilot and Feasibility award, Acceptance Rate: not disclosed, 2018-2020. *Not awarded.*

Funded Fellowships and Scholarships

BEFORE TENURE

Fall 2018	Fellow, Grants Research and Enterprise Writing Fellowship (GREW) San Diego State University
Summer 2017	Fellow, 43 rd annual American Heart Association ten-day seminar on the Epidemiology and Prevention of Cardiovascular Disease and Stroke, Tahoe City, CA
Spring 2016	Quillman Fellowship, Cornell University Division of Nutritional Sciences
Spring 2012	Graduate Assistantship, USDA/Cornell University Agricultural Extension Station
Summer 2011	Darling Fellowship, Cornell University Division of Nutritional Sciences
2010-2015	Teaching Assistantship, Cornell University Division of Nutritional Sciences
2003-2004	Graduate Assistantship, The University of Memphis Campus Recreation
1998-2002	Biology Scholarship, University of Evansville

Career Development

BEFORE TENURE

2022 – Present	Early Career Reviewer, National Institutes of Health Center for Scientific Review
2022 – 2023	Member, Robert Wood Johnson Foundation (RWJF) Healthy Eating Research (HER) Early Stage Investigator Work Group
2022	Scholar, Health Disparities Research Institute, NIH National Institutes of Minority Health and Health Disparities
2021– 2022	Scholar, Mixed Methods Research Training Program for the Health Sciences, Johns Hopkins University, 7 th cohort of Scholars
2021 – Present	Member, National Science Foundation-funded Multi-Campus Transformation Equity Network (MCTEN), San Diego State University and University of California- San Diego

Participation in Professional Associations

BEFORE TENURE

1. American Heart Association (2017 – Present)
2. American Public Health Association (2006 – 2007; 2017 – Present)
3. American Society for Nutrition (2015 – Present)
4. International Society of Behavioral Nutrition and Physical Activity (2012 – Present)

Other Professional Memberships

BEFORE TENURE

1. University of California San Diego Altman Clinical and Translational Research Institute (ACTRI)
2. University of California San Diego Dissemination and Implementation Science Center (DISC)

TEACHING EFFECTIVENESS

Student Supervision

BEFORE TENURE

2023 – Present	Rebeca Jimenez, MS, To be determined, <i>Committee Member</i>
2023 – Present	Griselda Luna, UG & MS, People’s Produce Mobile Farmers’ Market. <i>NUTR 499 (Special Study)</i>
2023 – Present	Krisztina Kemenes, Masters, Existing capital promoting food security and a healthy diet for low-income Hispanic/Latinos in San Diego County: perspectives of key informants at community stakeholder organizations. <i>NUTR 798 (Special Study)</i>
2022	Khaled Bushehri, UG, Existing capital promoting food security and a healthy diet for low-income Hispanic/Latinos in San Diego County: perspectives of key informants at community stakeholder organizations. <i>NUTR 499 (Special Study)</i>
2022 – 2023	Abby Jimenez, Masters, Measuring food insecurity in Latinx families: expanding understanding of their experiences through exploratory interviewing and cognitive testing. <i>NUTR 798 (Special Study)</i>
2022 – 2023	Katia Enns, Masters, Measuring food insecurity in Latinx families: expanding understanding of their experiences through exploratory interviewing and cognitive testing, <i>Volunteer</i> ; Multi-level factors influencing the food security status of Hispanic/Latino households: a mixed-methods approach to understand the responsiveness of stakeholder agencies in addressing food insecurity, <i>NUTR 790 (Manuscript)</i>
2022 – 2023	Mariah Blevins, Masters, Sugar-sweetened beverage intake among community residents of San Quintín, Baja California, Mexico. <i>Committee Member</i>
2022	Angel Chukwu, Masters, Do parenting behaviors mediate the relationship between parental mental health and child weight status? <i>Committee Member</i>
2022	Janina Larsen, Masters, The impact of a pilot intuitive eating intervention on college student health. <i>Committee Member</i>
