

## ***CURRICULUM VITAE***

**MATTHEW THOMAS MAHAR**

(02/01/24)

### ***CONTACT INFORMATION***

**E-mail:** mmahar@sdsu.edu

**Phone:** (619) 594-5543

**Fax:** (619) 594-6553

**Work:** School of Exercise and Nutritional Sciences

San Diego State University

5500 Campanile Drive

San Diego, CA 92182-7251

### ***CURRENT POSITION***

Director, School of Exercise and Nutritional Sciences

Professor, San Diego State University

### ***EDUCATION***

**Ed.D.** University of Houston, 1989

Major: Physical Education

Emphasis: Measurement and Research in Exercise Science

**M.Ed.** University of Houston, 1987

Major: Physical Education

Emphasis: Exercise Science

**B.S.E.** State University of New York at Cortland, 1981

Major: Physical Education

**INTERNSHIP** Universal Services Rehabilitation and Development, Inc., Houston, Texas,  
January-August, 1985

Worked in Human Performance Laboratory under direction of

Dr. Michael L. Pollock and Dr. James E. Graves

**HONORS**

- San Diego State University, School of Exercise and Nutritional Sciences, College of Health and Human Services, American Kinesiology Association Inclusive Excellence Award, 2019.
- East Carolina University, College of Health and Human Performance, Scholar-Teacher Award, 2014.
- Fellow, National Academy of Kinesiology, 2012.
- East Carolina University, College of Health and Human Performance, Outstanding Service Award, 2010.
- Fellow, American College of Sports Medicine, 2009.
- North Carolina Board of Governors Award for Excellence in Teaching, 2007.
- Fellow, Research Consortium of the American Alliance for Health, Physical Education, Recreation, and Dance, 2007.
- Measurement and Evaluation Council Honor Award, 2005.
- East Carolina University, School of Health and Human Performance, Teacher-Scholar Award, 2000.
- East Carolina University, School of Health and Human Performance, Outstanding Researcher Award, 1999-2000.
- Finalist for Alumni Distinguished Professor for Teaching Award, 1999-2000.
- Inducted into Columbia High School Hall of Fame, 1998.
- North Carolina Board of Governors Distinguished Professor for Teaching Award, 1997-1998.
- East Carolina University, School of Health and Human Performance, Outstanding Teacher Award, 1997-1998.
- Who's Who in American Education*, 1996-1997.
- Research Travel Award, East Carolina University, 1996.
- International Directory of Distinguished Leadership*, 1995.
- Reassigned Time Award, Springfield College, 1993.
- Project Inspiration Award from the National Association for Sport & Physical Education, 1992.
- Springfield College Teacher of Excellence, 1990-1991.
- Reassigned Time Award, Springfield College, 1991.
- Reassigned Time Award, Springfield College, 1990.
- Outstanding Graduate Student in Physical Education, University of Houston, 1986.

**EXPERIENCE**

**ADMINISTRATION:**

Director, School of Exercise and Nutritional Sciences, San Diego State University, 2016-present.

Chair, Department of Recreation and Leisure Studies, East Carolina University, 2015-2016.

Interim Chair, Department of Recreation and Leisure Studies, East Carolina University, 2014-2015.

Graduate Program Director, Department of Kinesiology, East Carolina University, 2010-2014.

Founding Director, Activity Promotion Laboratory, East Carolina University, 2002-2016.

Coordinator, Physical Activity Promotion master's degree concentration, Department of Kinesiology, East Carolina University, 2002-2015.

Associate Director for Physical Activity Interventions, Pediatric Healthy Weight Research and Treatment Center, East Carolina University, 2009-2016.

Founder and Co-Director, East Carolina University After-School Activity Program, 2007-2016.

**TEACHING:**

Professor, East Carolina University, Greenville, North Carolina, 2008-2016.

Associate Professor, East Carolina University, Greenville, North Carolina, 1998-2008.

Assistant Professor, East Carolina University, Greenville, North Carolina, 1993-1998.

*Professional Courses Taught:*

EXSS 6201 Advanced Measurement and Evaluation in Exercise and Sport Science

EXSS 6401 Assessment of Physical Activity and Fitness

EXSS 4804 Measurement and Evaluation in Exercise and Sport Science

EXSS 6300 Research Techniques in Exercise and Sport Science

EXSS 6301 Research Seminar in Exercise and Sport Science

EXSS 4806 Exercise Evaluation and Prescription

EXSS 6650 Seminar in Exercise and Sport Science

EXSS 3804 Measurement of Physical Activity and Fitness

Visiting Professor, Mexican Congress for Physical Education, Mexico City, 1998.

Taught a four-day course on physical activity and fitness in children and youth.

Assistant Professor, Springfield College, Springfield, Massachusetts, 1989-1993.

*Professional Courses Taught:*

RSCH 325 Foundations and Methods of Research

RSCH 301 Educational and Psychological Statistics

RSCH 327 Thesis Seminar

HFIT 160 Exercise Testing and Prescription

HFIT 340 Measurement and Evaluation in Health and Fitness Programs

**EXPERIENCE (continued)**

**TEACHING:** Assistant Professor, Japan Summer Institute Program at Springfield College, 1991-1992.

*Professional Course Taught:* Physical Fitness

Assistant Professor, Pittsburg State University, Pittsburg, Kansas, 1988-1989.

*Professional Courses Taught:*

HPER 801 Measurement and Evaluation in Physical Education

HPER 823 Advanced Physiology of Exercise

HPER 195 Introduction to Physical Education

HPER 150 Lifetime Fitness Concepts

*Other Responsibilities:*

Director of Human Performance Laboratory

Director of Physical Education Computer Laboratory

Teaching Fellow in physical education, University of Houston, Houston, Texas, 1982-1988.

*Professional Courses Taught:*

PEP 4310 Measurement and Evaluation in Physical Education

PEP 1251 Exercise for Health and Fitness

PEP 1152 Fitness and Weight Control

Activity Classes: Weight Training; Basketball; Soccer; Softball; Archery; Golf.

*Other Responsibilities:*

Graduate Assistant in PEP 7330 Seminar in Exercise Science

*Theoretical and Physical Competence in the Following Activities:*

Archery, Baseball/Softball, Basketball, Golf, Racquetball, Rugby, Soccer, Track and Field, Weight Training.

Physical education teacher and track coach, Ichabod Crane High School, Valatie, New York, 1981-1982.

Coach of women's soccer and basketball, Columbia High School, East Greenbush, New York, 1981-1982.

**EXPERIENCE (continued)**

**PROFESSIONAL:** Committee on Awards, National Academy of Kinesiology, 2023-2026.

Executive Committee, American Kinesiology Association, 2022-2024.

Secretary, Executive Committee, American Kinesiology Association, 2022-2024.

Student Awards Committee Liaison, American Kinesiology Association, 2023-2024.

Communication and Marketing Committee Liaison, American Kinesiology Association, 2022-2023.

Board of Directors, American Kinesiology Association, 2020-2022.

Diversity, Equity, and Inclusion Committee, American Kinesiology Association, 2020-2022.

Academic Program External Reviewer for UMASS Lowell, Department of Physical Therapy and Kinesiology, 2022.

Academic Program External Reviewer for Texas State University Department of Health and Human Performance, 2021.

Planning Committee, American Kinesiology Association Leadership Workshop, 2019-2020.

Moderator, "Physical Activity and Mental Health," American Kinesiology Association Leadership Workshop, Orlando, FL. January 25, 2020.

FitnessGram Advisory Board, The Cooper Institute, 2008-present.

Research and Analysis Committee, American Kinesiology Association, 2011-2014.

Associate Director for Physical Activity Interventions, Pediatric Healthy Weight Research and Treatment Center, East Carolina University, 2009-2016.

Graduate Program Director, Department of Kinesiology, East Carolina University, 2010-2014.

Coordinator, Physical Activity Promotion master's degree concentration, Department of Kinesiology, East Carolina University, 2002-2015.

Founding Director, Activity Promotion Laboratory, East Carolina University, 2002-2016.

Founder and Co-Director, East Carolina University After-School Activity Program, 2007-2016.

**EXPERIENCE (continued)**

**PROFESSIONAL:** International Advisory Board for *Medicina Sportiva*, 2006-2016.

Alliance Scholar Committee, American Alliance for Health, Physical Education, Recreation, and Dance, 2012-2013.

Review Board, *Measurement in Physical Education and Exercise Science*, 1996-2012.

Participant, Chancellor's Leadership Academy, East Carolina University, 2011.

Editorial Board, *Research Quarterly for Exercise and Sport*, 2008-2011 (chair 2011-2012).

Science Board, President's Council on Fitness, Sports, and Nutrition, 2008-2012.

Board of Trustees, Be Active North Carolina, Inc., 2007-2012.

Member, Working Group for revision of the U.S. Army Physical Fitness Test, 2010.

Research Consortium Distinguished Lectures Committee, American Alliance for Health, Physical Education, Recreation, and Dance, 2009.

Member, Planning Committee for the Pediatric Healthy Weight Research and Treatment Center Forum, 2009-2010.

Guest Editor, *Measurement in Physical Education and Exercise Science*, Special Issue on Youth Fitness Testing, 2008.

Grant Review Panel for Kate B. Reynolds Charitable Trust, East Carolina University, 2007-2008.

Reviewer, National Association for Sport and Physical Education Research Grants, 2008-2009.

Reviewer, Robert Wood Johnson Foundation Grants, 2009.

Participant, North Carolina Obesity Prevention Round Table, 2008.

Review Panel member, Measurement symposia for the American Alliance for Health, Physical Education, Recreation, and Dance National Convention, 2007-2011.

Review Panel member, Measurement abstracts for the American Alliance for Health, Physical Education, Recreation, and Dance National Convention, 1992-1993, 1994-2000, 2004-2011.

**EXPERIENCE (continued)**

**PROFESSIONAL:** Participant, Research Think Tank, Canadian Learning to be Active in School Study Ottawa, Ontario, Canada, 2006.

Member, Centers for Disease Control and Prevention, Prevention Research Centers Program Grant Review Panel, 2004.

Member, American Alliance of Health, Physical Education, Recreation, and Dance Research Consortium Grants Committee, 2002-2005.

Member, Advisory Committee, Measurement and Evaluation Council, 2005-2008.

Member, North Carolina Task Force for Healthy Weight in Children, 2002-2003.

Member, AAHPERD Research Consortium Grants Committee, 2002-2005.

Chair, American College of Sports Medicine, Certification and Registry Boards Examinations Subcommittee, 2000-2004.

Review Panel Chair for Measurement, Research Consortium Program for the American Alliance for Health, Physical Education, Recreation, and Dance National Convention, 2003.

External Referee, Clinical Research Senior Scholar Salary Support for the Michael Smith Foundation for Health Research, British Columbia, Canada, 2003.

Section Editor, *Research Quarterly for Exercise and Sport*, 1997-2000.

Evaluator, Centers for Disease Control and Prevention, Prevention Research Centers Program Grant Review Panel, 2002.

Member, North Carolina Task Force for Healthy Weight in Children, 2001-2002.

Special Issue Editor, *Research Quarterly for Exercise and Sport*, June, 2000.

Member, American College of Sports Medicine Examinations Subcommittee, Committee on Certification and Education, 1997-2000.

Participant in Centers for Disease Control and Prevention Workshop on Assessment of Physical Activity and Sedentary Behavior in Two- to Five-Year-Old Children, 1998.

Board of Directors, Research Consortium for the American Alliance for Health, Physical Education, Recreation, and Dance, 1996-1997.

Member, Planning Committee for the 9<sup>th</sup> Measurement and Evaluation Symposium, Measurement and Evaluation Council, 1997.

Consultant for Eastern AHEC TeleHealth, 1997-2002.

**EXPERIENCE (continued)**

**PROFESSIONAL:** Guest Reviewer, National Institutes of Health Grant Review Panel, Community Health Section, 1997.

Review Panel Chair for Measurement, Research Consortium Program for the American Alliance for Health, Physical Education, Recreation, and Dance National Convention, 1996.

Member, Research Committee of the North Carolina Alliance for Health, Physical Education, Recreation, and Dance, 1995-1997.

Chair, Measurement and Evaluation Council of the American Alliance for Health, Physical Education, Recreation and Dance, 1994-1996.

Board of Directors, American Association for Active Lifestyles and Fitness, 1995-1996.

Editor of *Measurement News*, newsletter of the Measurement and Evaluation Council, 1995-2001.

Executive Committee of the Measurement and Evaluation Council, 1994-1997.

Alliance Assembly, American Alliance for Health, Physical Education, Recreation, and Dance, 1996.

Advisory Committee of the Measurement and Evaluation Council, 1994-2002.

Chair, Measurement and Evaluation Council Honor Award Committee, 1994-1995.

Chair, Measurement and Evaluation Council Nominating Committee, 1994-1995.

Chair, American Alliance of Health, Physical Education, Recreation and Dance Sport Specific Committee to develop a soccer skills test battery, 1990.

Measurement and Evaluation Section Reviewer, *Journal of Physical Education, Recreation and Dance*, 1992-1995.

Editor of the Research section of the *Kansas Association for Health, Physical Education, Recreation and Dance Journal*, 1989.

State Coordinator for Physical Best, the American Alliance of Health, Physical Education, Recreation and Dance Physical Fitness Education and Assessment Program, 1989.

Exercise Specialist for Health Management Center, Coca-Cola Foods, Houston, Texas, 1985.

**EXPERIENCE (continued)**

**PROFESSIONAL:** Guest Reviewer for the following journals:

*American Journal of Preventive Medicine*  
*American Journal of Public Health*  
*Annals of Behavioral Medicine*  
*International Journal of Pediatric Obesity*  
*International Journal of Obesity*  
*Journal of Physical Activity and Health*  
*Journal of Sports Medicine, Training, and Rehabilitation*  
*Journal of Sports Sciences*  
*Journal of Strength and Conditioning Research*  
*Measurement in Physical Education and Exercise Science*  
*Medicine and Science in Sports and Exercise*  
*North Carolina Medical Journal*  
*Obesity Reviews*  
*Pediatric Exercise Science*  
*Research Quarterly for Exercise and Sport*

Founding Director, Activity Promotion Laboratory, East Carolina University, Greenville, NC, 2002-2016.

*Responsibilities:* research, budgeting, scheduling, and supervision of graduate students.

Research and Computer Assistant in Educational Research Center, University of Houston, Houston, Texas, 1987-1988.

*Responsibilities:* assist in experimental design and data analysis for theses and dissertations, assist students with computer usage.

Exercise Specialist for the Institute for Preventive Medicine, The Methodist Hospital, Houston, Texas, 1984-1988.

*Responsibilities:* body composition analysis, diet and exercise counseling.

Exercise Specialist and Technologist for Hou-Fit, adult fitness program, University of Houston, Houston, Texas, 1986-1987.

*Responsibilities:* treadmill and ergometer testing, strength testing, general fitness assessments and consultations.

Research Assistant for Dr. J.M. Pivarnik and Dr. L. Halstead for Post-Polio study, The Institute for Rehabilitation and Research, Houston, Texas, 1986-1987.

*Responsibilities:* body composition analysis, data analysis.

Research Assistant for Dr. A.S. Jackson for Human Factors Research, University of Houston, Houston, Texas, 1984-1986.

*Responsibilities:* maximal cycle ergometer and treadmill testing, strength testing, data analysis.

**EXPERIENCE (continued)**

**PROFESSIONAL:** Research Assistant for Dr. A.S. Jackson and Dr. E.F. Beard, M.D., Section of Cardiology, Kelsey-Seybold Clinic, Texas Medical Center, Houston, Texas, 1985.

*Responsibilities:* data collection for study evaluating the sensitivity and specificity of radionuclide angiography.

Exercise Technologist for Dr. A.S. Jackson and Dr. G.H. Hartung at the Diet Modification Clinic, Baylor College of Medicine, Houston, Texas, 1985.

*Responsibilities:* body composition analysis, treadmill and cycle ergometer testing of obese population.

Research Assistant for Dr. A.S. Jackson at the Cardiopulmonary Laboratory, NASA/Johnson Space Center, Houston, Texas, Fall 1984.

*Responsibilities:* calibration study of Med Graphics metabolic cart.

## **GRANTS**

Primary Investigator, \$12,000 National Academy of Kinesiology, 2023.

*Title:* Kinesiology Doctoral Program Evaluation.

Primary Investigator, \$5,000 National Academy of Kinesiology, 2019-2020.

*Title:* Kinesiology Doctoral Program Evaluation.

Co-investigator, \$4,200 East Carolina University College of Nursing, 2015.

*Title:* Breast Cancer Patients' Symptoms: Pain, Fatigue, Sleep Disturbances and Mood Disorders.

Primary Investigator, \$15,263 Cooper Institute for Aerobics Research, 2013-2014.

*Title:* Youth Fitness and Health Outcomes.

Primary Investigator, \$13,237 Cooper Institute for Aerobics Research, 2012-2013.

*Title:* Development of a Walk Test to Predict Aerobic Fitness in Children.

Primary Investigator, \$70,000 Centers for Disease Control and Prevention, Pitt County Health Department, Communities Putting Prevention To Work (CPPW), 2011-2012.

*Title:* After-School Physical Activity Programs.

Primary Investigator, \$9,000 Cooper Institute for Aerobics Research, 2009-2010.

*Title:* Development of a Model to Predict Aerobic Fitness from PACER Performance.

Primary Investigator, \$8,000 East Carolina University Teaching Grant, 2010.

*Title:* Development of Integrated Multi-media Modules for Advanced Measurement and Evaluation.

Primary Investigator, \$3,539,886 National Institutes of Health, 2009-2013.

*Title:* The Use of Energizers to Promote Physical Activity in Elementary School Children. (not funded)

Primary Investigator, \$6,399 Pitt County Schools, 2009.

*Title:* Faculty/Staff Wellness Programs.

Primary Investigator, \$28,500 21<sup>st</sup> Century Community Learning Center, 2008-2009.

*Title:* Development and Evaluation of After-school Energizers Activities.

Co-investigator, \$199,495 Active Living Research, Robert Wood Johnson Foundation, 2008-2010.

*Title:* School Intramural Sports and Physical Activity: A Middle School Policy Intervention.

Primary Investigator, \$6,125 Pitt County Schools, 2008.

*Title:* Faculty/Staff Wellness Programs.

Primary Investigator, \$14,990 American Alliance for Health, Physical Education, Recreation, and Dance, 2007.

*Title:* Validation of FITNESSGRAM® Aerobic Fitness and Body Composition Components.

**GRANTS (continued)**

Primary Investigator, \$9,500 Cooper Institute for Aerobics Research, 2007.

*Title:* Assessment of FITNESSGRAM® Body Composition Standards in 12- to 14-year-old Youth.

Primary Investigator, \$9,500 Pitt County Schools, 2007.

*Title:* Assessment of a Faculty Wellness Program.

Primary Investigator, \$19,948 East Carolina University Research Development Award, 2007.

*Title:* Impact of a Faculty Wellness Program on Health Behaviors.

Primary Investigator, \$6,500 Cooper Institute for Aerobics Research, 2006.

*Title:* Validation of FITNESSGRAM® Aerobic Fitness and Body Composition Components in 10- to 11-year-old Children.

Primary Investigator, \$2,000 North Carolina Healthy Schools Mini-Grant, 2006.

*Title:* D.H. Conley High School Faculty/Staff Wellness Challenge.

Primary Investigator, \$30,000 North Carolina Department of Public Instruction, 2006.

*Title:* Project PASS: Physical Activity Success in Schools.

Co-investigator, \$1,565,870 National Institutes of Health, 2006-2008.

*Title:* Reduction in CVD Risk in Children by Physical Activity.

Primary Investigator, \$12,000 Pitt County Schools Board of Education, 2006-2007.

*Title:* Faculty/Staff Wellness Programs.

Primary Investigator, \$13,750 Pitt County Schools Board of Education, 2005-2006.

*Title:* Faculty/Staff Wellness Programs.

Primary Investigator, \$40,000 Pitt Memorial Hospital Foundation Grant, 2004-2005.

*Title:* Increasing Motivation for Physical Activity in Children and Teachers (IMPACT).

Primary Investigator, \$5,850 Pediatric Healthy Weight Research and Treatment Center Grant, 2004-2005.

*Title:* Effect of Circuit Training on Spontaneous Physical Activity, Body Composition, Muscular Strength and Endurance, Aerobic Capacity, Body Image, and Physical Self-efficacy in Overweight, Prepubescent Girls.

Primary Investigator, \$150,000 Pitt Memorial Hospital Foundation Grant, 2003-2004.

*Title:* Project PHASE: Physically Active Sensible Eaters.

Primary Investigator, \$21,144 East Carolina University Research & Creative Activity Award, 2003.

*Title:* Energy Expenditure of Obese and Non-obese Girls during Free-living Physical Activities.

Primary Investigator, \$8,575 East Carolina University Teaching Grant, 2003-2004.

*Title:* Development of Fitness Assessment Training Videos for Web-based Instruction.

**GRANTS (continued)**

Co-investigator, \$10,500 North Carolina Institute of Nutrition, 2002-2003.

*Title:* Investigation of Novel Method to Measure Body Image.

Primary Investigator, \$85,000 Pitt Memorial Hospital Foundation Grant, 2002.

*Title:* After-school Activity Program for Overweight Children.

Primary Investigator, \$88,199 Pitt Memorial Hospital Foundation Grant, 2001.

*Title:* After-school Activity Program for Overweight Children.

Primary Investigator, \$10,874 American Alliance for Health, Physical Education, Recreation, and Dance, 2001.

*Title:* Validation and Test Equating of Measures of Aerobic Capacity.

Primary Investigator, \$10,000 Centers for Disease Control and Prevention through North Carolina Institute of Nutrition, 2001-2002.

*Title:* Evaluation of the Take 10 Classroom-based Physical Activity Program in Kindergarten through Fifth Grade.

Co-investigator, \$10,000 Centers for Disease Control and Prevention through North Carolina Institute of Nutrition, 2001-2002.

*Title:* Investigating the Determinants of Physical Activity – Test of the Youth Activity Promotion Model.

Primary Investigator, \$5,500 North Carolina Institute of Nutrition, 2001-2002.

*Title:* Evaluation of the Take 10 Classroom-based Physical Activity Program in Kindergarten through Fifth Grade.

Co-investigator, \$9,000 North Carolina Institute of Nutrition, 2001-2002.

*Title:* Investigating the Determinants of Physical Activity – Test of the Youth Activity Promotion Model.

Primary Investigator, \$14,483 East Carolina University Research/Creative Activity Grant, 2001.

*Title:* Prediction of Aerobic Capacity in Adolescents.

Co-investigator, \$4,500 North Carolina Institute of Nutrition Grant, 2001.

*Title:* Effects of a Physical Activity Program on Heart Rate Variability and Cortisol in Obese Children.

Primary Investigator, \$61,690 Pitt Memorial Hospital Foundation Grant, 2000.

*Title:* After-school Activity Program for Overweight Children.

Primary Investigator, \$10,000 North Carolina Institute of Nutrition Grant, 2000.

*Title:* Prediction of Energy Expenditure from Accelerometry in Obese and Nonobese Adolescents.

Co-investigator, \$13,800 North Carolina Institute of Nutrition Grant, 2000.

*Title:* Validation of Physical Activity Surveys in Pregnant Women.

**GRANTS (continued)**

Co-investigator, \$5,000 North Carolina Institute of Nutrition Grant, 2000.

*Title:* Does Exercise Training Intensity Influence Spontaneous Physical Activity in Adults?

Primary Investigator, \$15,000 American Alliance for Health, Physical Education, Recreation, and Dance Research Grant, 1999.

*Title:* An After-school Activity Program (ASAP) for Obese Children and Children at Risk for Low Physical Activity.

Primary Investigator, \$8,500 North Carolina Institute of Nutrition Grant, 1999.

*Title:* Effects of a Resistance Training Program on Physical Activity, Body Composition, Muscular Strength and Endurance, and Selected Psychological Variables in Obese, Prepubescent Girls.

Primary Investigator, \$3,000 Pitt County Health Education Foundation, 1999.

*Title:* Higher Education and Community Partnership in a Physical Activity, Health, and Nutrition Program.

Primary Investigator, \$7,300 East Carolina University Teaching Grant, 1999.

*Title:* Development of Computer Modules for Exercise Testing and Evaluation.

Primary Investigator, \$9,500 North Carolina Institute of Nutrition Grant, 1998.

*Title:* Variability of Physical Activity and Body Composition in Children: A Longitudinal Study.

Primary Investigator, \$17,700 East Carolina University Research/Creative Activity Grant, 1998

*Title:* Tracking of Physical Activity and Obesity in Children.

Primary Investigator, \$850 East Carolina University School of Health and Human Performance Seed Grant, 1998.

*Title:* Follow-up of an Aerobic Training Program for Obese Boys and Girls.

Primary Investigator, \$4,500 North Carolina Institute of Nutrition Grant, 1997.

*Title:* Effects of Aerobic Training in Body Composition, Aerobic Capacity, Physical Activity, and Leptin Levels in Obese Prepubescent Boys and Girls.

Primary Investigator, \$4,600 North Carolina Institute of Nutrition Grant, 1996.

*Title:* Prediction of Percent Body Fat from Body Mass Index in Young African American and Caucasian Children.

Co-investigator, \$67,500 East Carolina University Student Computer and Technology Fee Grant, 1996.

*Title:* Expansion and Development of the School of Health and Human Performance Curriculum Enrichment Project, Phase III.

Primary Investigator, \$9,600 East Carolina University Research/Creative Activity Grant, 1996.

*Title:* Determinants of Physical Activity in Children.

**GRANTS (continued)**

Primary Investigator, \$525 East Carolina University School of Health and Human Performance Seed Grant, 1996.

*Title:* Determinants of Physical Activity in Children.

Primary Investigator, \$600 Research Travel Grant, Office of Research and Graduate Studies, East Carolina University, 1996.

*Title:* Research Travel Award for 8th Measurement and Evaluation Symposium.

Co-investigator, \$700 American Association for Active Lifestyles and Fitness Grant, 1995.

*Title:* Test Item Bank for Measurement and Evaluation.

Primary Investigator, \$300 American Association for Active Lifestyles and Fitness Grant, 1995.

*Title:* Development of a Soccer Skills Test Battery.

Statistical Consultant, Coca-Cola Company Grant, 1995.

*Title:* Effect of Beverage Carbohydrate Content on Distance Running Performance in Hot, Humid Conditions.

Primary Investigator, \$550 Appleton/Lippincott Grant, 1993.

*Title:* Computer Software for Measurement and Evaluation in Physical Education and Exercise Science.

Co-investigator, \$6,000 Appleton/Lippincott Grant, 1993.

*Title:* Computer Software for Exercise Testing and Prescription.

Co-investigator, \$2,680 Springfield College Research Fund Grant, 1993.

*Title:* Post-exercise Hemodynamic Differences between Hypertensive and Normotensive Black Males.

Primary Investigator, \$5,000 Appleton/Lippincott Grant, 1992.

*Title:* Enhancement of Programs for Health/fitness Majors.

Primary Investigator, \$300 Springfield College Research Fund Grant, 1992.

*Title:* Prediction Accuracy of Submaximal Step, Cycle, and Treadmill Tests.

Primary Investigator, \$960 Kansas Association for Health, Physical Education, Recreation and Dance Grant, 1988 to 1989.

*Title:* Cross-validation of the Motor Skill Perceived Competence Scale.

Co-investigator, \$957 Kansas Association for Health, Physical Education, Recreation and Dance Grant, 1988 to 1989.

*Title:* Relationships between Perceived Competence of Student Teachers and Psychophysiological Responses to Actual Teaching Experience.

**GRANTS (continued)**

Statistical Consultant, \$6,000 University of Houston Research Initiation Grant, 1988.

*Title:* Motor Skill Perceived Competence Scale.

## **SCHOLARLY PRESENTATIONS**

1. Mahar, M.T., & Baweja, H. (2021). AKA Inclusive Excellence: San Diego State University. Presented at the American Kinesiology Association Leadership Workshop, virtual meeting. <https://www.americankinesiology.org/SubPages/Pages/Leadership%20Workshop%20Videos>
2. Mahar, M.T., Welk, G.J., Rider, P.M., & Duncan, M.J. (2018). Development and validation of an equation to estimate peak power from vertical jump in youth. Presented at the American College of Sports Medicine Annual Meeting, Minneapolis, MN.
3. Mahar, M.T. (2018). Aerobic fitness assessment: Methods and assessment challenges. Presented at the 14<sup>th</sup> Measurement and Evaluation Symposium, Nashville, TN.
4. Baweja, H., Carper, E., Dib, N., Edwards, C., Fellow, J., Harrington, A., Middleman, A., Stewart, A., Goble, G., Mahar, M.T., & Conrad, M. (2018). An objective battery of sensorimotor and cognitive tests to assess effects of work shift length on healthcare workers: A proof of principle study. To be presented at the International Symposium on Human Factors and Ergonomics in Health Care, Boston, MA.
5. Calvert, H.G., Turner, L., & Mahar, M.T. (2017). Classroom physical activity breaks increase physical activity and decrease lengthy blocks of sedentary time for elementary school students. Presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting, Victoria, Canada.
6. Das, B.M., Clemmons, B.S., Kemble, C.D., Schreier, A.M., & Mahar, M.T. (2017). Nurses' Physical Activity Study: Caring For You So You Can Care For Others. Presented at the American College of Sports Medicine Annual Meeting, Denver, CO.
7. Sartore-Baldwin, M., Baker, J., Schwab, L., Crenshaw, J., D'Amico, M., Das, B., & Mahar, M.T. (2017). Effects of a dog walking intervention on a university campus: A pilot study. Presented at the American College of Sports Medicine Annual Meeting, Denver, CO.
8. Das, B.M., Zwingler, K.A., Dlugonski, D., Raedeke, T.D., & Mahar, M.T. (2017). Physical activity dose for affective response in active women with 5+ hours of daily sedentary time: A pilot study. Presented at the Southeast American College of Sports Medicine Annual Meeting. Greenville, SC.
9. Calvert, H.G., Turner, L., Johnson, T.G., & Mahar, M.T. (2017). Gender and age disparities in steps accrued during the school day. Presented at the Active Living Research Annual Conference, Clearwater Beach, FL.
10. Calvert, H.G., Turner, L., & Mahar, M.T. (2017). Classroom physical activity breaks increase physical activity and decrease lengthy blocks of sedentary time for elementary school students. Submitted for presentation at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting, Victoria, Canada.

**SCHOLARLY PRESENTATIONS (continued)**

11. Mahar, M.T., Nanney, L.W., Das, B.M., Raedeke, T.D., Vick, G.A., & Rowe, D.A. (2016). Implementation of self-determination theory in college physical activity classes. Presented at the American College of Sports Medicine Annual Meeting, Boston, MA.
12. Knight, N.K., Das, B.M., Raedeke, T.D., & Mahar, M.T. (2016). Effects of a before school physical activity program on physical activity, musculoskeletal fitness, and cognitive function in third-grade children. Presented at the Southeast American College of Sports Medicine Annual Meeting, Greenville, SC.
13. Bokor, S.A., Desilets, P.-A., & Mahar, M.T. (2016). Accuracy of a contact mat for assessment of vertical jump performance. Presented at the Southeast American College of Sports Medicine Annual Meeting, Greenville, SC.
14. Parker, A.J., & Mahar, M.T. (2016). Effects of an acute bout of early morning exercise on cognitive function in adolescent athletes. Presented at the Southeast American College of Sports Medicine Annual Meeting, Greenville, SC.
15. Burns, R., Brusseau, T., Eisenman, P., Schultz, B., Hannon, J., & Mahar, M.T. (2015). Effect of BMI on estimating  $VO_2$  peak using the one-mile run/walk test in adolescents. Presented at the Southwest District SHAPE (Society of Health and Physical Educators) America Convention, Park City, UT.
16. Mahar, T.F., Hall, T.R., Lloyd, A.D., & Mahar, M.T. (2015). Musculoskeletal fitness and health outcomes in youth. Presented at the Southeast American College of Sports Medicine Annual Meeting, Jacksonville, FL. DOI: 10.13140/RG.2.1.5178.8882
17. Mahar, M.T., Nanney, L.W., Das, B.M., Raedeke, T.D., Vick, G.A., & Rowe, D.A. (2015). Effects of an intervention using movement technology in a university physical activity class. Presented at the American College of Sports Medicine Annual Meeting, San Diego, CA. DOI: 10.13140/RG.2.1.4392.4564
18. Mahar, T.F., Hall, T.R., Lloyd, A.D., & Mahar, M.T. (2015). Musculoskeletal fitness and health outcomes in youth. Presented at the American College of Sports Medicine Annual Meeting, San Diego, CA.
19. Das, B.M., Sartore-Baldwin, M., & Mahar, M.T. (2015). The invisible employee on the university campus: Grounds and housekeeping workers' perceptions of physical activity. Presented at the American College of Sports Medicine Annual Meeting, San Diego, CA.
20. Burns, R.D., Hannon, J.C., Brusseau, T.A., Saint-Maurice, P.F., Welk, G.J., & Mahar, M.T. (2015). Prediction of  $VO_2$  peak relative to fat-free mass in adolescents. Presented at the American College of Sports Medicine Annual Meeting, San Diego, CA.
21. Stylianou, M., Kulinna, P.H., van der Mars, H., Adams, M., Mahar, M.T., & Amazeen, E. (2015). Before-school running/walking club: Effects on elementary students' physical activity. Presented at the SHAPE America National Convention, Seattle, WA.

**SCHOLARLY PRESENTATIONS (continued)**

22. Burns, R.D., Hannon, J.C., Brusseau, T.A., Saint-Maurice, P.F., Welk, G.J., & Mahar, M.T. (2015). Development of a  $VO_{2peak}$  prediction model from 1-mile run/walk performance. Presented at the SHAPE America National Convention, Seattle, WA.
23. Burns, R.D., Hannon, J.C., Brusseau, T.A., Saint-Maurice, P.F., Welk, G.J., & Mahar, M.T. (2015). Cross-Validation of  $VO_{2peak}$  prediction models in adolescents. Presented at the SHAPE America National Convention, Seattle, WA.
24. Mahar, M.T., Maeda, H., Sung, H., & Mahar, T.F. (2014). Accuracy of the Nike Fuelband and Fitbit One Activity Monitors. Presented at the American College of Sports Medicine Annual Meeting, Orlando, FL. DOI: 10.13140/RG.2.1.1271.3049
25. Bai, Y., Saint-Maurice, P.F., Kim, Y., Osthus, D., Mahar, M.T., & Welk, G.J. (2014). The impact of BMI on aerobic fitness achievement with both the one-mile run and PACER test. Presented at the American College of Sports Medicine Annual Meeting, Orlando, FL.
26. Maeda, H., Quartiroli, A., Vos, P.W., Carr, L.J., & Mahar, M.T. (2014). Feasibility of retrofitting a library to reduce sedentary behavior. Presented at the American College of Sports Medicine Annual Meeting, Orlando, FL.
27. Mahar, M.T., Sung, H., Whaley, M.P., Yun, S., Zhang, W., & Collier, D. (2014). Relationships among fitness measures and health outcomes in youth. Presented at the Global Summit on Physical Activity of Children, Toronto, Canada.
28. Kanters, M., Mahar, M.T., & Hodge, C. (2014). Physical activity during youth hockey practices: A comparison of two practice models using accelerometers. Presented at the Global Summit on Physical Activity of Children, Toronto, Canada.
29. Hall, T.R., Moore, J.N., Kulas, A.S., DuBose, K.D. & Mahar, M.T. (2014). Prediction of injury with a Functional Movement Screen™. Accepted, but not presented due to conference cancellation, at the Southeast American College of Sports Medicine Annual Meeting, Greenville, SC.
30. Mahar, M.T., Edwards, G.A., Carr, L.J., Kemble, C.D., & Cooper, N. (2013). Effects of an after-school physical activity intervention on physical activity, aerobic fitness, and body composition. Presented at the American College of Sports Medicine Annual Meeting, Indianapolis, IN. DOI: 10.13140/RG.2.1.1404.4248
31. Mahar, T.F., Rowe, D.A., & Mahar, M.T. (2013). Comparison of ActiGraph hip worn and wrist worn activity monitors for assessment of physical activity. Presented at the American College of Sports Medicine Annual Meeting, Indianapolis, IN.
32. Mahar, T.F., & Mahar, M.T. (2013). Comparison of hip and wrist worn activity monitors. Presented at the Southeast American College of Sports Medicine Annual Meeting, Greenville, SC.

**SCHOLARLY PRESENTATIONS (continued)**

33. Mahar, M.T., Hanna, M.S., Kemble, C.D., DuBose, K.D., & Cooper, N. (2013). Estimation of aerobic fitness from PACER performance in older adolescents. Presented at the American Alliance for Health, Physical Education, Recreation, and Dance National Convention, Charlotte, NC.
34. Mahar, M.T. (2012). Development of PACER multistage shuttle run field test models to estimate VO<sub>2</sub>max in youth. Presented at the International Sport Science Conference, Seoul, South Korea.
35. Mahar, M.T. (2012). Assessment of physical activity and fitness. Presented at the Pediatric Healthy Weight Summit, Greenville, NC.
36. Mahar, M.T., Peavler, M., Edwards, G.A., Boerio, N., & Carr, L.J. (2012). Agreement of hip and ankle worn activity monitors for measurement of physical activity. Presented at the American College of Sports Medicine Annual Meeting, San Francisco, CA.  
DOI: 10.13140/RG.2.1.4550.1525
37. Carr, L.J., Peavler, M., Edwards, G.A., Boerio, N., & Mahar, M.T. (2012). Perceptions of objective and self-report methods for monitoring sedentary and physical activity behaviors. Presented at the American College of Sports Medicine Annual Meeting, San Francisco, CA.
38. Boerio, N.A., Mahar, T.F., Diaz, C.R., Kemble, C.D., Kim, K., & Mahar, M.T. (2012). Effects of simple and complex movements on cognitive function. Presented at the Southeast American College of Sports Medicine Annual Meeting, Jacksonville, FL.
39. Floyd, M.R., Mahar, M.T., Kanters, M.A., & Bocarro, J.N. (2012). Social and environmental correlates of objectively measured physical activity and weight among middle school youth. Presented at the Active Living Research Conference, San Diego, CA.
40. Mahar, M.T., Vuchenich, M.L., Golden, J., DuBose, K.D., & Raedeke, T.D. (2011). Effects of a before-school physical activity program on physical activity and on-task behavior. Presented at the American College of Sports Medicine Annual Meeting, Denver, CO.

191. Jackson, A.S., Goulden, D.D., Stuteville, J.E., & Mahar, M.T. (1984). The effects of work and age on exercise systolic blood pressure response of healthy men. Paper presented at the American College of Sports Medicine Annual Meeting, San Diego, CA.

**UNIVERSITY SERVICE**

San Diego State University, Chair, Panel for Administrative Review of the Dean of the College of Health and Human Services, 2023.

San Diego State University, member, Graduate Council, 2021-2023.

San Diego State University, member, Graduate Policy Committee, 2021-2023.

San Diego State University, member, Committee on Academic Policy and Planning, 2017-2022.

San Diego State University, member, University Senate, 2017-2022.

San Diego State University, member, Search Committee for Chair, Department of Civil, Construction, and Environmental Engineering, 2021-2022.

San Diego State University, Inclusion Representative (for search committee), 2021-2022.

San Diego State University, member, Search Committee for Director of Enrollment Management, 2019-2020.

San Diego State University, member, Parking and Transportation Committee, 2018-2019.

San Diego State University, member, Interprofessional Education Task Force, College of Health and Human Services, 2017-2018.

San Diego State University, member, Executive Leadership Team, College of Health and Human Services, 2016-present.

East Carolina University, Chair, Chancellor's Student Complaint Task Force, 2014-2015.

East Carolina University, member, Student Conduct Board, 2014-2015.

East Carolina University, member, College of Health and Human Performance Executive Committee, 2014-2015.

East Carolina University, member, College of Health and Human Performance Strategic Planning Committee, 2014-2015.

East Carolina University, Department of Recreation and Leisure Studies, member, Promotion Committee, 2013.

East Carolina University, Department of Kinesiology, Graduate Program Director, 2010-2014.

East Carolina University, Department of Kinesiology, chair, Search Committee for Physical Activity position, 2013.

East Carolina University, Faculty Senate alternate, 2009-2011.

East Carolina University, Chair, Board of Governors Excellence in Teaching Award Committee, 2009-2010.

East Carolina University, Department of Kinesiology, chair, Search Committee for Physical Activity position, 2010.

East Carolina University, Student Opinion of Instruction Survey Phase II Committee, 2009-2012.

East Carolina University, College of Health and Human Performance, Vice Chair, Quality Matters Committee, 2009-2010.

East Carolina University, Board of Governors Excellence in Teaching Award Committee, 2007-2010.

**UNIVERSITY SERVICE (continued)**

East Carolina University, Department of Exercise and Sport Science, member, Lifetime Physical Activity and Fitness Committee, 2008-2016.

East Carolina University, Department of Exercise and Sport Science, member, Evaluation Guidelines Committee, 2009-2010.

East Carolina University, Department of Exercise and Sport Science, chair, Search Committee for Lifetime Physical Activity and Fitness Program Director position, 2009-2010.

East Carolina University, Department of Exercise and Sport Science, member, Assessment Committee for Foundations Course [EXSS 1000], 2008-2009.

East Carolina University, Department of Recreation and Leisure Studies, member, Promotion Committee, 2008.

East Carolina University, Vice-chair, Faculty Grievance Appellate Committee, 2007-2010.

East Carolina University, Department of Exercise and Sport Science, chair, Search Committee for Physical Activity position, 2007.

East Carolina University, Department of Exercise and Sport Science, member, Personnel Committee, 2002-2006.

East Carolina University, Department of Exercise and Sport Science, chair, Search Committee for Assistant Director of Activity Promotion Laboratory, 2006.

East Carolina University, Department of Exercise and Sport Science, member Retreat Planning Committee, 2003-2004.

East Carolina University, College of Health and Human Performance, member, Scholar-Teacher Award Committee, 2003-2004.

East Carolina University, College of Health and Human Performance, Chair, Outstanding Researcher Award Committee, 2003-2004.

East Carolina University, College of Health and Human Performance, member, Outstanding Teacher Award Committee, 2003-2004.

East Carolina University, member, Task Force for Interdisciplinary Ph.D. in Public Policy, 2003.

East Carolina University, Department of Exercise and Sport Science, member, Tenure Committee, 2002-2004.

East Carolina University, Department of Exercise and Sport Science, member, Promotions Committee, 2002-2004.

East Carolina University, Department of Exercise and Sport Science, member, Catherine A. Bolton Family Scholarship Selection Committee, 2003-2004.

East Carolina University, Department of Exercise and Sport Science, Chair, Personnel Committee, 1998-2001.

East Carolina University, Research/Creative Activities Policies Committee, 2000-2001.

East Carolina University, Scholar-Teacher Action Task Force, 2000-2001.

East Carolina University, University Teaching Grants Committee, 1999-2001.

**UNIVERSITY SERVICE (continued)**

East Carolina University, Department of Exercise and Sport Science, member of ad hoc Strategic Planning Committee, 2000.

East Carolina University, Department of Exercise and Sport Science, Chair, search committee for physical activity and fitness tenure track position, 2000.

East Carolina University, School of Health and Human Performance, member of ad hoc committee to develop adjunct faculty procedures, 1999-2000.

East Carolina University, Department of Exercise and Sport Science, Chair, Tenure Committee, 1998-2001.

East Carolina University, Department of Exercise and Sport Science, Chair, Promotions Committee, 1998-2001.

East Carolina University, School of Health and Human Performance, Faculty Leader for Quadrennial Unit Administrator Evaluation of Dean of School of Health and Human Performance, 1998.

East Carolina University, Department of Exercise and Sport Science, member of ad hoc committee to develop standards for post-tenure review, 1998.

East Carolina University, Department of Exercise and Sport Science, member of Cumulative Review Committee for post-tenure review, 1998-1999.

East Carolina University, School of Health and Human Performance, committee member of Strategic Planning Review Committee, 1997-1998.

East Carolina University, Department of Exercise and Sport Science, chair of Search Committee for sport psychology/motor learning position, 1997-1998.

East Carolina University, Department of Exercise and Sport Science, member of Search Committee for three shared positions with Department of Athletics, 1998.

East Carolina University, School of Health and Human Performance, committee member of Space and Facilities Committee, 1997.

East Carolina University, committee member University Teaching Grants Committee, 1996-1999.

East Carolina University, committee member of Department of Exercise and Sport Science Personnel Committee, 1994-1997.

East Carolina University, School of Health and Human Performance, committee member of Indirect Costs Committee, 1996-1997.

East Carolina University, committee member of the School of Health and Human Performance Student Computer and Technology Fee Committee, 1996.

East Carolina University, committee member of department Technology Committee, 1994-1996.

East Carolina University, committee member on departmental committee to review fitness test requirement for Exercise and Sport Science majors, 1994-1995.

East Carolina University, committee member department Strategic Planning Committee, 1994-1995.

East Carolina University, served as Chair of one master's thesis, 1995.

East Carolina University, served as committee member for eleven master's theses, 1994-1996.

**UNIVERSITY SERVICE (continued)**

- Chair, United Way Campaign for Springfield College, 1992.
- Springfield College, served as Chair of two doctoral dissertations, 1989-1993.
- Springfield College, served as Chair of eight master's theses, 1989-1993.
- Springfield College, served as committee member for one doctoral dissertation, 1990.
- Springfield College, served as committee member for seventeen master's theses, 1989-1993.
- Springfield College, Faculty Development Committee member, 1992-1994.
- Springfield College, Technology Committee member, 1992-1993.
- Springfield College, Search Committee for Health/fitness position, 1992.
- Springfield College, Search Committee for Exercise Physiology position, 1992.
- Springfield College, Search Committee for Physical Therapy Generalist, 1991.
- Springfield College, Search Committee for Physical Therapy Research Coordinator, 1991.
- Springfield College, Rugby Club Advisor, 1992-1993.
- Springfield College, Committee to review doctoral program acceptance process, 1990.
- Springfield College, Doctoral Dissertation Examining Committee member, 1990.
- Springfield College, Master's Thesis Examining Committee member, 1990.
- Pittsburg State University, Master's Thesis Committee member, 1988-1989.
- Pittsburg State University, Rugby Club Advisor, 1988-1989.
- University of Houston, College of Education Committee on Academic Honesty, 1988.
- University of Houston, Health, Physical Education and Recreation Department Graduate Studies Committee, 1986-1987.
- University of Houston, Health, Physical Education and Recreation Department Search Committee for Exercise Physiology position, 1984.

**GRADUATE STUDENT RESEARCH SUMMARY**

- Chair of two doctoral dissertation committees.
- Committee member of six doctoral dissertation committees.
- Chair of thirty-three master's thesis committees.
- Committee member of thirty-eight master's thesis committees.

## Doctoral Dissertations Supervised

1. Arciero, Paul J. (1993). *Influence of age and caffeine on resting metabolic rate, blood pressure, and mood state in younger and older individuals* (doctoral dissertation). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/62953/rec/7>
2. Harackiewicz, David V. (1992). *Factor analysis of anaerobic power tests: Comparison between male and female athletes* (doctoral dissertation). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/84736/rec/5>

## Doctoral Dissertations – Committee Member

3. Behar, Alma. (in progress). *Assessing the role of social networks in promoting physical activity among ethnic minority youth* (doctoral dissertation). San Diego State University.
4. Vermeire, Krystal. (2021). *Effects of physical movement play versus quiet table top play on sustained attention* (doctoral dissertation). Fielding Graduate University.
5. Thralls, Katie. (2019). *Sedentary behavior and geriatric health outcomes in moderate-to-low functioning older adults* (doctoral dissertation). San Diego State University.
6. Stylianou, Michalis. (2014). *Before-school running club: Effects on physical activity and on-task behavior* (doctoral dissertation). Arizona State University.
7. Burns, Ryan D. (2014). *Development and cross-validation of aerobic capacity prediction models* (doctoral dissertation). University of Utah.
8. Louie, Lobo H. (1990). *A factor analysis of selected badminton skills tests for college students* (doctoral dissertation). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/133755/rec/9>

## Master's Theses Supervised

9. Hanna, Matthew. (2017). *Development and validation of a regression model to estimate VO<sub>2</sub>max for older adolescents from PACER 20-m shuttle run performance* (master's thesis). East Carolina University.
10. Knight, Noelle A. (2015). *Effects of a before school physical activity program on physical activity, musculoskeletal fitness, and cognitive function* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4876>.
11. Anderson, Kendra L. (2015). *Ability of the Functional Movement Screen™ to predict injuries and performance in collegiate track and field athletes* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/5099>.
12. Nanney, Lindsey W. (2014). *Self-determination theory and movement technology in college physical activity classes* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4576>.

**Master's Theses Supervised (continued)**

13. Lloyd, Adrian D. (2014). *Relationships among measures of strength and power and health outcomes in youth* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4695>.
14. Hall, Tyler R. (2014). *Prediction of athletic injury with a functional movement screen* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4417>.
15. Sung, Hoyong. (2013). *Development of walk tests to estimate aerobic fitness in 10- to 13-year-old children* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4204>.
16. Edwards, Grace Anne. (2012). *Effects of an after-school physical activity intervention on physical activity, aerobic fitness, and body composition* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/3876>.
17. Vuchenich, Michelle L. (2010). *Effects of a before school physical activity program on physical activity and on-task behavior in elementary school-aged children* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/2941>.
18. Guerieri, Ashley M. (2009). *Physical activity, academic performance, and physical self-description in adolescent females* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/2234>.
19. Mun, JunBae. (2008). *The accuracy of bioelectrical impedance analysis in athletes and non-athletes* (master's thesis). East Carolina University.
20. Birkenmeyer, Matthew J. (2008). *Relationship of physical activity benefits and barriers with objectively measured and self-reported physical activity* (master's thesis). East Carolina University.
21. Smith, Stephanie. (2007). *Effect of sampling interval on objectively measured physical activity in preschool children* (master's thesis). East Carolina University.
22. Kemble, C. David. (2006). *Energy expenditure during rest, traditional video game play, and interactive video game play in boys aged 12 to 16 years* (master's thesis). East Carolina University.
23. Murphy, Sheila K. (2005). *Effects of a classroom-based physical activity program on physical activity and on on-task behavior in elementary school children* (master's thesis). East Carolina University.
24. Robinson, Terrance S. (2005). *Number of days of monitoring needed with accelerometers and pedometers to obtain reliable estimates of habitual physical activity in adults* (master's thesis). East Carolina University.

**Master's Theses Supervised (continued)**

25. Thorpe, Aaron G. (2005). *Effects of circuit training on spontaneous physical activity and selected fitness and psychological variables in overweight, prepubescent girls* (master's thesis). East Carolina University.
26. Crotts, Dana J. (2005). *Prediction of energy expenditure from accelerometry in adolescent females* (master's thesis). East Carolina University.
27. Aull, Jennifer L. (2004). *Energy expenditure of 8- to 12-year-old girls during free-living physical activities* (master's thesis). East Carolina University.
28. DiNallo, Jennifer M. (2000). *Effects of resistance training on physical activity, muscular strength and endurance, body composition, and selected psychological variables in prepubescent, obese girls* (master's thesis). East Carolina University.
29. Hales, Derek P. (2000). *Effects of an after-school activity program on spontaneous physical activity, body composition, aerobic capacity, and perceived physical competence in obese, prepubescent children* (master's thesis). East Carolina University.
30. Williams, Georganne. (1999). *Physical activity, body composition, and aerobic capacity of obese and non-obese children and their mothers* (master's thesis). East Carolina University.
31. Mullery, Kerry A. (1998). *Effects of aerobic training on body composition, aerobic capacity, physical activity, insulin, lipid, and leptin levels in obese, prepubescent boys and girls* (master's thesis). East Carolina University.
32. Nindl, Bradley, C. (1993). *Gender differences in anaerobic performance among adolescent athletes* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/150078/rec/11>
33. Cofrancesco, Lisa. (1993). *Hostility and coronary risk factors among Native Americans and Caucasians* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/149444/rec/15>
34. Goldstein, Wayne H. (1993). *Influence of Jewish parents on children's sport participation and socialization* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/99276/rec/43>
35. Rowe, David A. (1992). *Health-related fitness levels of Bahamian elementary school children* (master's thesis). Springfield College.
36. Davies, Michael J. (1992). *Gender differences in running economy* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/84048/rec/8>
37. Hui, Sai Chuen (Stanley). (1992). *Comparison of acute heart rate and blood pressure responses among isometric, isotonic, and isokinetic exercise* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/107300/rec/34>

**Master's Theses Supervised (continued)**

38. Longergan, Sean. (1991). *Comparison of resting metabolic rate in weight cycled vs. non-weight cycled wrestlers* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/54264/rec/26>
39. Good, Alan J. (1991). *The relationship between ego identity development and athletic status* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/99357/rec/25>
40. Goldfarb, Kenneth S. (1990). *Fan involvement and hostility* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/66900/rec/18>
41. Alvarez, Carlos. (1990). *Establishment of body composition norms for Costa Rican high school students and comparison to norms for United States' students* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/117728/rec/46>

**Master's Theses – Committee Member**

42. Hernandez, Melissa. (2018). An analysis of multilevel motivators and barriers to leisure time physical activity among churchgoing Latinas participating in Fe en Acción (master's thesis). San Diego State University.
43. Clemmons, Brianna S. (2016). The Nurses' Physical Activity Study: Caring for you so you can care for others (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/5889>.
44. Schillo, David R. (2014). *The effect of active video gaming on physical activity levels of students with developmental disabilities* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4420>
45. Maeda, Hotaka. (2013). *Introducing portable pedal machines inside a university library to reduce sedentary behavior* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/4200>.
46. Brown-Bochicchio, Christina M. (2013). *20M sprint capacity test, a component of the Wheelchair Sports Performance Test: A Smartwheel® Technology field validation pilot study* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/1759>.
47. Zwingler, Kristen. (2005). *Physical activity dose for affective response in active women with 5+ hours of daily sedentary time: A pilot study* (master's thesis). East Carolina University. Retrieved from <http://hdl.handle.net/10342/6069>.
48. Hershberger, Angela. (2003). *Responses of salivary cortisol, interstitial glycerol and glucose, and adipose tissue blood flow to feeding and exercise in lean and obese children* (master's thesis). East Carolina University.

**Master's Theses – Committee Member (continued)**

49. Donovan, Michael. (2001). *The effects of school classroom settings on physical activity levels of children who are developmentally delayed* (master's thesis). East Carolina University.
50. Miller, Leslie. (1999). *A comparison of body composition, dietary practices, blood profiles, and activity patterns of individuals with multiple sclerosis to age, sex, and BMI comparisons without multiple sclerosis* (master's thesis). East Carolina University.
51. Noland, Robert. (1999). *Regulation of uncoupling protein gene expression by endurance exercise in human skeletal muscle: implications for human bioenergetics and thermogenesis* (master's thesis). East Carolina University.
52. Raymond, Nikki. (1998). *Differences in energy expenditure between Greenville Gastric Bypass Surgery patients and weight-matched controls* (master's thesis). East Carolina University.
53. Jones, Carol. (1998). *Effects of menopausal status and hormone replacement therapy on lipoprotein metabolism* (master's thesis). East Carolina University.
54. Harper, Wanda. (1997). *The effects of orthotics on running economy and gait mechanics in symptomatic recreational runners* (master's thesis). East Carolina University.
55. Gardiner, Suzanne. (1997). *The effect of menopause and hormone replacement therapy on the leptin-fat mass relationship in women* (master's thesis). East Carolina University.
56. Hird, Julie. (1997). *Effect of seven days of endurance training on GLUT-4 protein concentration in aged subjects* (master's thesis). East Carolina University.
57. Shaw, Christopher. (1997). *Effects of seven days of endurance training on PI 3-kinase activity* (master's thesis). East Carolina University.
58. O'Neill, Sean. (1996). *The effect of insulin and aerobic exercise on myosin heavy chain messenger RNA* (master's thesis). East Carolina University.
59. Mahar, Tyson. (1996). *The effects of 8% carbohydrate sports drink on performance in a hot and humid environment* (master's thesis). East Carolina University.
60. Street, Ivan. (1996). *A comparison of static and dynamic movement cues to enhance motor skill acquisition of the chip shot in golf* (master's thesis). East Carolina University.
61. Griffin, Shannon. (1996). *Incentives for exercise among aerobic and anaerobic chronic exercisers* (master's thesis). East Carolina University.
62. Wagner, Christin. (1995). *Effects of acute exercise training on plasma lipoprotein(a) levels in sedentary Caucasian men with hyperlipoproteinemia(a)* (master's thesis). East Carolina University.
63. Mahar, Francis J. (1995). *Fan identification with collegiate athletic teams* (master's thesis). East Carolina University.

**Master's Theses – Committee Member (continued)**

64. Westbrook, Sherri. (1995). *Resolution of extension synergy with cycle ergometer in stroke patients* (master's thesis). East Carolina University.
65. Scott, Kevin. (1995). *A comparison of voluntary vs. electro-myostimulation training is eliciting cross-transfers of strength* (master's thesis). East Carolina University.
66. Midyette, Jack. (1995). *The effects of two weeks of reduced training and training cessation on insulin sensitivity after 12 weeks of endurance training in middle-aged, previously sedentary men and women* (master's thesis). East Carolina University.
67. Goetz, Emily. (1994). *Participation rates, satisfaction levels, and perceived benefits of Recreational Services among faculty and staff at East Carolina University* (master's thesis). East Carolina University.
68. Annalisa M. Tarentino, Annalisa M. (1993). *Blood lactate concentrations and lactate threshold during menstrual cycle phases of distance runners* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/48613/rec/31>.
69. Flaherty, Robert F. (1993). *Running economy and kinematic differences among running with the foot shod, with the foot bare, and with the bare foot equated for weight* (master's thesis). Springfield College. Retrieved from <http://cdm16122.contentdm.oclc.org/cdm/compoundobject/collection/p16122coll1/id/95604/rec/9>.
