

# SCHOOL OF EXERCISE AND NUTRITIONAL SCIENCES

## COLLEGE OF HEALTH AND HUMAN SERVICES SAN DIEGO STATE UNIVERSITY

5500 Campanile Drive ENS 351  
SAN DIEGO, CA 92182-7251

### INFORMATION:

We employ graduate students as either Teaching Associates (GTAs), Graduate Assistants (GAs), or Instructional Support Assistants (ISAs).

GTAs are employed as instructors of undergraduate lab classes.

Assignments for the GA and ISA positions include laboratory prep, running scantrons, grading, graduate and undergraduate advising assistance, tutoring, and facilitating large classes.

### ELIGIBILITY:

To be eligible for a GTA/GA/ISA position, a student must have classified graduate standing (or be close to it) and be actively pursuing a Master's degree in Kinesiology, Exercise Physiology, Nutritional Sciences or Exercise Physiology and Nutritional Sciences. Students with classified standing (versus conditional) have higher priority in the award of a GTA/GA/ISA position. A conditionally classified student can hold a position for only one semester.

### STIPEND/HOURLY WAGE:

GTA/GA/ISA positions are one-semester appointments and are renewable to maximum of four semesters. The stipend or hourly wage depends on assignment and experience. There is no tuition waiver with a the appointment.

### APPLICATION:

You may apply for either a GTA or GA or an ISA position, or all three. Please note in your cover letter. To be considered for a position, a student must upload the following via Decision Desk:

- (1) A personal cover letter describing relevant experiences and certifications**
- (2) This Application** (found on next page)
- (3) Resume**

You may also turn in the application to the Graduate Advising Office in ENS 357
